ABOUT

MIRANDA HOUSE

Established in 1948 by Maurice Gwyer, Miranda House is one of the premier women's institutions under the University of Delhi. The college is a microcosm that incorporates students from diverse backgrounds providing multifaceted exposure to each one of them. The college motto cherishes the hope that learning and academic pursuit will be a lifelong habit to anyone who enters the college. The college offers graduate and post-graduate courses to over 3500 students with the most intellectual and brilliant minds.

Over the years, the college has created a niche by providing an excellent ambience where creativity and new ideas flourish, in conjunction with imparting knowledge blended with perfection. Thus, Miranda focuses on imparting skills and holistic development of students to make them a perfect fit for the organisation.

THE EDGE

Miranda House harbors the best of the brightest minds and has maintained a legacy of achieving the 1st Rank all over India amongst Indian colleges for consecutively 6 years.

NIRF 2022:

Maintaining the first rank among all the colleges of India for the sixth consecutive year simply portrays the perseverance and painstaking hard work of the Miranda House community. Miranda's legacy continues to be the most important and significant element of the college.

Miranda House has also been accredited with A+ with a CGPA of 3.61 by the NAAC, ranking it as one of the best performing educational institutions in the country. Miranda House has also been awarded the status of a DBT star college.

In the session 2021-22, Miranda House Placement Cell collaborated with a plethora of reputed organizations like Ernst & Young, Institute & Faculty of Actuaries, Bombay Stock Exchange, Education USA, TIME Institute, Unstop etc.

The Placement Cell, Miranda House in association with Pradhan Mantri Kaushal Vikas Yojna (PMKVY) and National Skill Development Corporation (NSDC) established a skill-hub centre in the college. The objective of the Skill Hub is to impart and inculcate skills among underprivileged and school drop-out women between the age-group of 15-40 and make them empowered and self reliant.

With a zeal for excellence, Miranda is home to several societies which provide a platform to the in-house talents of students such as dance, debate, music, quizzing, environment, fine arts and photography.

ABOUT

THE PLACEMENT CELL

“CHOOSE A JOB YOU LOVE, AND YOU WILL NEVER WORK A DAY IN YOUR LIFE.” -CONFUCIUS

The Placement Cell has plays a crucial role of bridging the gap between stringent competition in the industry and talent available in the college. Under the aegis of this cell, opportunities related to jobs and internships and adequate knowledge & support are provided to the students such that they can showcase their abilities in the best possible way. In order to make students aware of current trends and thus prepare them for the market needs, extension lectures by professional consultants and experts from the employment exchanges, reputed public and private organizations are held regularly. Apart from conducting recruitment drives and equipping students with the latest skills, the placement cell also guides students through various sessions to take competitive exams such as CAT, GATE, GRE, UPSC etc.

The 2021-22 Placement session managed to maintain its high placement statistics with top notch companies and the fact that students had to bear the recession blues in the current times, itself is a testimony to its quality. Our recent recruiters include some well renowned names in the market- McKinsey, Accenture, Barclays, Dell Technologies, D.E. Shaw etc. The Placement Cell has managed to grow significantly by following an inclusive approach to ensure equal opportunities for all disciplines. Various career guidance and informative webinars were also organized in collaboration with a number of leading institutions from all across the world.

The Cell also took a plethora of initiatives to to train students on analytical, logical, critical reasoning and problem-solving skills. We also managed to make a breakthrough by conducting its annual Knowledge and Internship fair 'Chrysalis' in online mode for the second time with more than 30 companies offering opportunities in diversified fields to 550+ students in India. It was an extremely rewarding session with the highest record breaking CTC of INR 21.5 LPA and an average CTC of INR 9.06 LPA. Our ingenious alumnae have set new standards in the corporate world through their estimable contributions and will continue that legacy in the years to come.

Some of the greatest responsibilities of the college are embedded in the functioning of this cell. It grooms students with Competencies and Employability Skills to become a part of Top Notch Companies. They are imparted practical skills to work as a team, think on their feet, improve presentation and communication skills and build a positive attitude. The major focus area of the cell is to produce graduates who are well equipped to handle the working norms of the industry in the public and private sectors and helping them define their career interest through professional counseling. The cell has grown exponentially over the years benefitting its major stakeholders and will continue to give back-end support to the students for a better career

VISIONS &

We firmly believe in preparing students to become professionally competent citizens and we shall keep looking ahead with a clear vision for the future to attain standards of excellence.

As the Placement Cell of Miranda House, it is our endeavour to maintain consistency between the stakeholders-be it students, companies, think tanks, NGO's or educational institutions, and to ensure that Mirandians are ready to open the door when opportunities come knocking.

The Placement Cell organised its Annual Internship and Knowledge Fair on 2nd-3rd March, 2022 virtually, for the second time in a row. The fair brought a multitude of job roles for the students to choose from, at one place, and acclimatize them to the recruitment procedure. Suggestive of a state of transition, Chrysalis creates measurable change in individual competencies and organisational capability through learning and development. The event began with the President of MHPC, Shruti Goyal, addressing the audience with a zealous spirit, followed by the convenor Prof. Hena Singh lifting the spirits of all students with her inspiring words. Dr Bijayalaxmi Nanda recalled and praised the massive growth of the Cell since her journey as the Principal.

The Chief Guest for the first day was Mr. Arman Sood (Co-Founder, Sleepy Owl Coffee, Forbes 30 Under 30) who gripped the audience with the story behind his successful startup, mentioning the importance of skills such as adaptability, flexibility and multidisciplinary knowledge in the present times. The second-day of Chrysalis got in motion with the empowering words of Tushar Mehta (Director - Client Engagements, Dare2Compete). The fair was a platform to over thirty companies like SK Children's Foundation, Nanhi Kashtiyani, UpGrad, TBH Circle, Tech Curators among many others; with internship stipends as high as 20,000 and 8 LPA CTC for job roles.

The two-day enthusiastic voyage of more than 550 students came to an end with a Vote of Thanks delivered by the President and immense commendation by all participants and company representatives.
