# THE EDGE

Miranda House harbors the best of the brightest minds and has maintained a legacy of achieving the 1st Rank all over India amongst Indian colleges for consecutively 7 years.

NIRF:2024

Miranda House has continued its legacy of being among the top colleges of the country as it has been ranked 2nd all over India which simply portrays the perseverance and painstaking hard work of the Miranda House community.

Miranda House has also been accredited with A+ with a CGPA of 3.61 by the NAAC, ranking it as one of the best performing educational institutions in the country. Miranda House has also been awarded the status of a DBT star college.

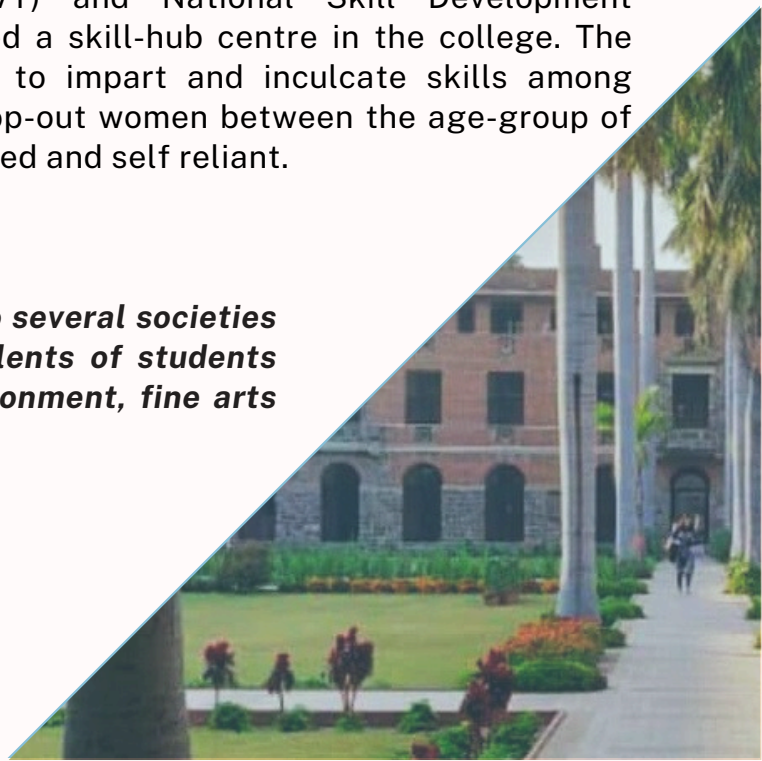

In the session of 2023-24, Miranda House Placement Cell collaborated with a plethora of reputed organisations like the Reserve Bank of India (RBI), Education USA, Pearl Academy Unacademy and Career Launcher etc.

The Placement Cell, Miranda House in association with Pradhan Mantri Kaushal Vikas Yojna (PMKVY) and National Skill Development Corporation (NSDC) established a skill-hub centre in the college. The objective of the Skill Hub is to impart and inculcate skills among underprivileged and school drop-out women between the age-group of 15-40 and make them empowered and self reliant.

***With a zeal for excellence, Miranda is home to several societies which provide a platform to the in-house talents of students such as dance, debate, music, quizzing, environment, fine arts and photography.***

## THE PLACEMENT CELL

**"CHOOSE A JOB YOU LOVE, AND YOU WILL NEVER WORK A DAY IN YOUR LIFE." -CONFUCIUS**

The Placement Cell has played a crucial role of bridging the gap between stringent competition in the industry and talent available in the college. Under the aegis of this cell, opportunities related to jobs and internships and adequate knowledge & support are provided to the students such that they can showcase their abilities in the best possible way. In order to make students aware of current trends and thus prepare them for the market needs, extension lectures by professional consultants and experts from the employment exchanges, reputed public and private organizations are held regularly. Apart from conducting recruitment drives and equipping students with the latest skills, the placement cell also guides students through various sessions to take competitive exams such as CAT, GATE, GRE, UPSC etc.

The 2023-24 Placement session managed to maintain its high placement statistics with top notch companies and the fact that students had to bear the recession blues in the current times, itself is a testimony to its quality. Our recent recruiters include some well renowned names in the market- McKinsey, Accenture, Barclays, Dell Technologies, D.E. Shaw, etc. The Placement Cell has managed to grow significantly by following an inclusive approach to ensure equal opportunities for all disciplines. Various career guidance and informative webinars were also organized in collaboration with a number of leading institutions from all across the world.

The Cell also took a plethora of initiatives to train students on analytical, logical, critical reasoning and problem-solving skills. We also managed to make a breakthrough by conducting its annual Knowledge and Internship fair 'Chrysalis' in offline mode for the first time in 2 years with more than 30 companies offering opportunities in diversified fields to 550+ students in India. It was an extremely rewarding session with the highest record breaking CTC of INR 19 LPA and an average CTC of INR 7.6 LPA. Our ingenious alumnae have set new standards in the corporate world through their estimable contributions and will continue that legacy in the years to come. Some of the greatest responsibilities of the college are embedded in the functioning of this cell. It grooms students with Competencies and Employability Skills to become a part of Top Notch Companies. They are imparted practical skills to work as a team, think on their feet, improve presentation and communication skills and build a positive attitude. The major focus area of the cell is to produce graduates who are well equipped to handle the working norms of the industry in the public and private sectors and helping them define their career interest through professional counseling. The cell has grown exponentially over the years benefitting its major stakeholders and will continue to give back-end support to the students for a better career.

# VISIONS & MISSIONS

We firmly believe in preparing students to become professionally competent citizens and we shall keep looking ahead with a clear vision for the future to attain standards of excellence.

As the Placement Cell of Miranda House, it is our endeavour to maintain consistency between the stakeholders be it students, companies, think tanks, NGO's or educational institutions, and to ensure that Mirandians are ready to open the door when opportunities come knocking.

## **ANNUAL JOB, INTERNSHIP & KNOWLEDGE FAIR**

Chrysalis 6.0, the annual job, internship, and knowledge fair organized by the Placement Cell, was held on April 29, 2024. The day long fair, conducted offline provided students with a broad spectrum of employment and internship opportunities, equipping them for their future careers.

The day commenced with a welcome address by the college principal, Dr. Bijayalaxmi Nanda, who highlighted the remarkable strides made by the Placement Cell over the past year. The chief guest, Dr. Subi Chaturvedi, Chief Corporate Affairs & Public Policy at InMobi Group, followed with an inspiring speech. She congratulated the students on their achievements and offered valuable insights into the corporate world. This was followed by an address from the Convener of the Placement Cell, Prof. Hena Singh, who inspired the students with her motivational remarks.

The event featured over 40 prestigious companies, including Zomato, Blu Ocean, BPB Publications, Frankfinn, DeltaX, ABP Network, Cube, Zieloch, and CPRG. These firms presented a wide range of job roles and internship opportunities to over 800 students from Miranda House and other top colleges across Delhi NCR.

Chrysalis 6.0 was not just an event; it was a significant milestone in the journey of the Placement Cell and the students it serves. The fair successfully bridged the gap between academic knowledge and industry expectations, providing a platform for students to connect with leading companies and industry professionals. The overwhelming participation and positive feedback from both students and employers highlighted the success of the event. As Chrysalis continues to grow in scale and impact, it reaffirms its position as a pivotal event in preparing students for the challenges and opportunities of the professional world. The Placement Cell looks forward to building on this success in future editions of Chrysalis.
