ABOUT

MIRANDA HOUSE

Established in 1948 by Maurice Gwyer, Miranda House is one of the premier women's institutions under the University of Delhi. The college is a microcosm that incorporates students from diverse backgrounds providing multifaceted exposure to each one of them. The college motto cherishes the hope that learning and academic pursuit will be a lifelong habit to anyone who enters the college. The college offers graduate and post-graduate courses to over 3500 students with the most intellectual and brilliant minds.

Over the years, the college has created a niche by providing an excellent ambience where creativity and new ideas flourish, in conjunction with imparting knowledge blended with perfection. Thus, Miranda focuses on imparting skills and holistic development of students to make them a perfect fit for the organisation.

THE EDGE

Miranda House harbors the best of the brightest minds and has maintained a legacy of achieving the 1st Rank all over India amongst Indian colleges for consecutively 4 years.

NIRF 2020:

Maintaining the first rank among all the colleges of India for the fourth consecutive year simply portrays the perseverance and painstaking hard work of the Miranda House community. Miranda's legacy continues to be the most important and significant element of the college.

Miranda House has also been accredited with A+ with a CGPA of 3.61 by the NAAC, ranking it as one of the best performing educational institutions in the country. Miranda House has also been awarded the status of a DBT star college.

Miranda House Placement Cell launched 'MirandaXChangemakers' talk in January 2020 by esteemed speakers - Prof. Dinabandhu Sahoo and Prof. Gagandeep Kang.

The Placement Cell successfully conducted a panel discussion in February 2021 on "EXPLORING NEW HORIZONS WITH LEADERSHIP AND PROFESSIONAL DEVELOPMENT" with esteemed panelists - Ms. Bhaswati Mukherjee (Former Ambassador of India to Netherlands), Mr. Sameer Chadha (CEO of KPMG Global Services) and Ms. Renu Sud Karnad (MD of HDFC Ltd.)

With a zeal for excellence, Miranda is home to several societies which provide a platform to the in-house talents of students such as dance, debate, music, quizzing, environment, fine arts and photography.

ABOUT

THE PLACEMENT CELL

“CHOOSE A JOB YOU LOVE, AND YOU WILL NEVER WORK A DAY IN YOUR LIFE.” -CONFUCIUS

A dynamic Placement Cell has been established in the college which plays a crucial role of bridging the gap between stringent competition in the industry and talent available in the college. Under the aegis of this cell, opportunities related to jobs and internships and adequate knowledge & support is provided to the students such that they can showcase their abilities in the best possible way. In order to make students aware of current trends and thus prepare them for the market needs, extension lectures by professional consultants and experts from the employment exchanges, reputed public and private organizations are held regularly. Apart from conducting recruitment drives and equipping students with the latest skills, the placement cell also guides students through various sessions to take competitive exams such as CAT, GATE, GRE, UPSC etc.

The 2020-21 Placement session managed to maintain its high placement statistics with top notch companies and the fact that students had to bear the recession blues in the current times, itself is a testimony to its quality. Our recent recruiters include some well renowned names in the market- Accenture, Dell Technologies, McKinsey, D.E. Shaw, Wipro, BYJU'S, TresVista, Nation with NAMO etc. The Placement Cell has managed to grow significantly by following an inclusive approach to ensure equal opportunities for all disciplines. Various career guidance and informative webinars were organized in collaboration with some leading institutions- Kings College London, Indian School of Business, BITS School of management, Youthnity, Univ.AI etc. Some prestigious fellowship and PGP opportunities were also put forward by the cell which includes Young Leaders Programme, Teach for India Fellowship, Gandhi Fellowship etc.

The Cell also introduced a mock test series 'QUANTZILLA- THE APTITUDE TEST SERIES', to train students on analytical, logical, critical reasoning and problem-solving skills. We also managed to make a breakthrough by conducting its annual Knowledge and Internship fair 'Chrysalis' in online mode for the first time with more than 30 companies offering opportunities in diversified fields to 1000+ students in India. It was an extremely rewarding session with the highest record breaking CTC of 18.75 Lakhs and an average CTC of 7 Lakhs. Our ingenious alumnae have set new standards in the corporate world through their estimable contributions and will continue that legacy in the years to come.

Some of the greatest responsibilities of the college are embedded in the functioning of this cell. It grooms students with Competencies and Employability Skills to become a part of Top Notch Companies. They are imparted practical skills to work as a team, think on their feet, improve presentation and communication skills and build a positive attitude. The major focus area of the cell is to produce graduates who are well equipped to handle the working norms of the industry in the public and private sectors and helping them define their career interest through professional counseling. The cell has grown exponentially over the years benefitting its major stakeholders and will continue to give back-end support to the students for a better career

VISIONS & MISSIONS

We firmly believe in preparing students to become professionally competent citizens and we shall keep looking ahead with a clear vision for the future to attain standards of excellence.

As the Placement Cell of Miranda House, it is our endeavour to maintain consistency between the stakeholders-be it students, companies, think tanks, NGO's or educational institutions, and to ensure that Mirandians are ready to open the door when opportunities come knocking.

CHRYSALIS'20 INTERNSHIP & KNOWLEDGE FAIR

The Placement Cell organised the annual internship and career fair on 5th February 2020 to cater to the students' desire for professional exposure and development. The title for the fair was 'Chrysalis', the process which in itself denotes transformation and development.

The Fair commenced on an inspirational note from the Principal Dr. Bijaylaxmi Nanda, the Convenor Dr. Hena Singh and the Faculty Advisor Shruti Sharma. There were also distinguished speakers from various fields like, Chandni Dabas (Editor at India Today), Carlos Muscari (Secretary of the Embassy of Argentina), Ashok Sangwan (Senior Manager at Wipro Pvt Ltd).

Our campus witnessed a great deal of companies who came to recruit the country's brightest minds from the country's no.1 college. The companies, in turn, provided the ground for students to explore their goals and fulfill their career aspirations. The Fair opened doors to over 25+ companies ranging from Decathlon, Nexus to Akshay Patra and many more. It also rendered more than 1000+ students an opportune occasion to avail opportunities.

The Fair was a triumphant affair which was applauded by the representatives, faculty and participants alike.

The Placement Cell organized the annual internship and knowledge fair on 8th and 9th March 2021, virtually for the first time. The main aim of the fair was to offer a Student-Company interface. While acquainting them with the recruitment process, the fair brought a diverse selection of job profiles for the students to choose from.

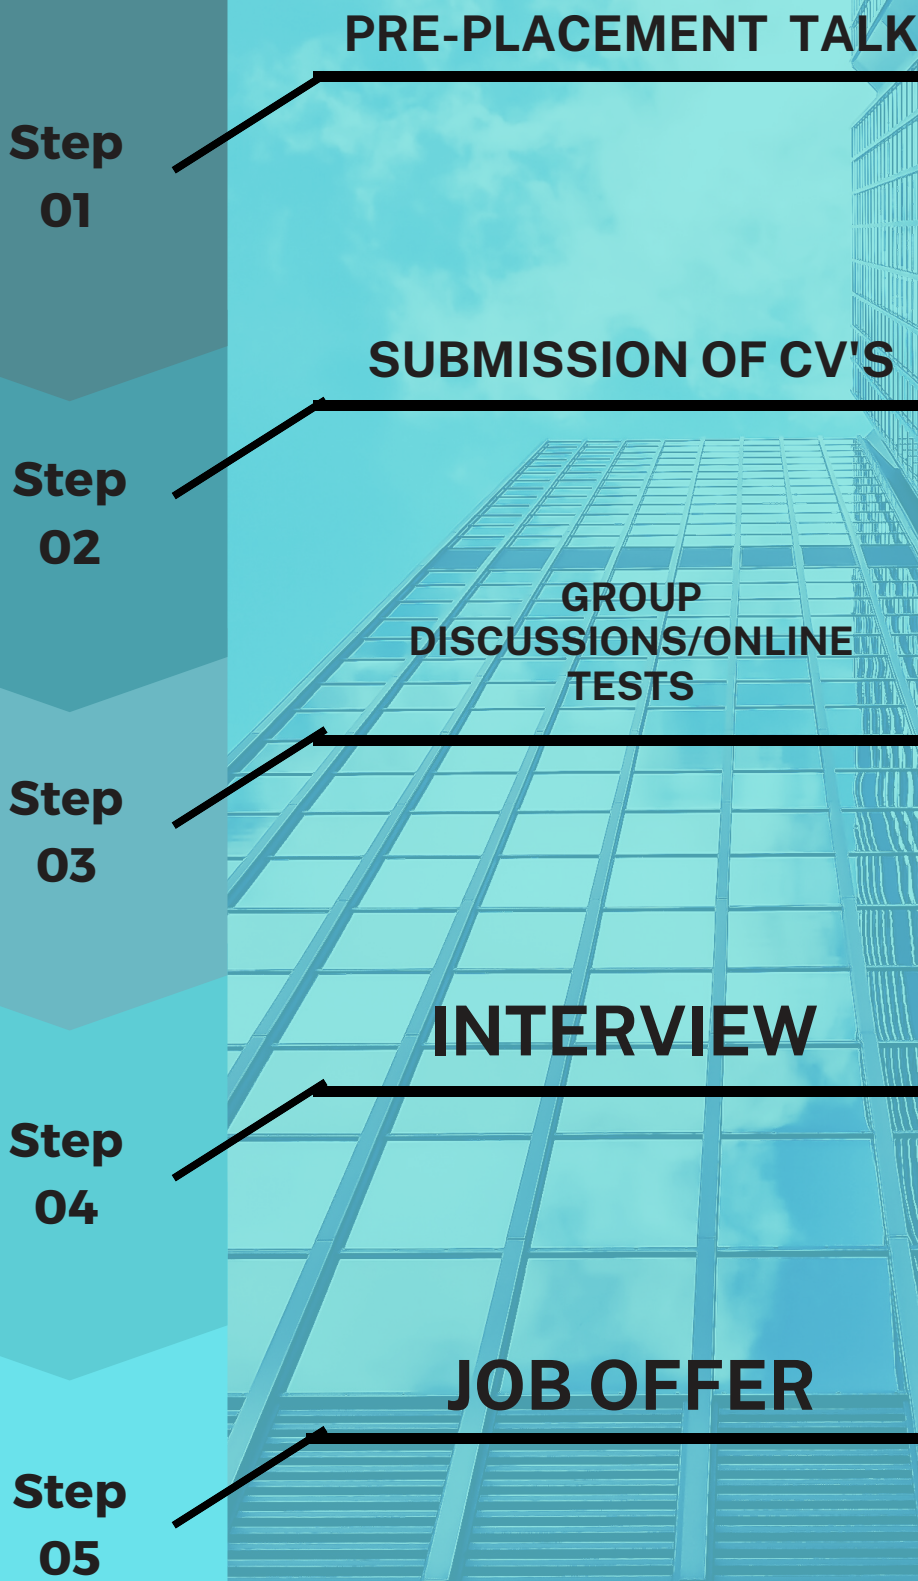

The Fair was inaugurated through a stimulating and zestful speech from the Principal Dr. Bijaylaxmi Nanda, the Convenor Dr. Hena Singh and the Faculty Advisor Shruti Sharma. Our illustrious guest speakers Shri Montek Singh Ahluwalia (Former Deputy Chairman, Planning Commission of India and Padma Vibhushan Recipient) and Shri Ajai Chowdhry (Co-Founder of HCL and Padma Bhushan Recipient) enlightened the participants.

We hosted several companies and NGOs that came to recruit the sharpest of minds. The Fair gave a platform to over 30+ companies, like UNSchool Learning, Eat My News, HungerBox and more to meet the untapped talent pool. It further acted as a felicitous juncture to explore a broad spectrum of career prospects and professional aspirations for 1000+ students across the country.

The Fair, once again, turned out to be victorious undertaking commended by the representatives, faculty and participants alike.

CHRYSLIS '21 INTERNSHIP & KNOWLEDGE FAIR

PLACEMENT PROCEDURE

COMPANY GUIDELINES

The Placement Cell, Miranda House strictly enforces One Student One Offer policy. Exceptions to this rule, as below:

- Placed students shall be eligible to appear for interviews of esteemed/ dream status companies offering a higher CTC.
- Students may get multiple offers due to non- disclosure of results in time by companies.
- Under these circumstances, the Placement Cell Miranda House provides the students with the liberty of choice. The decision of the student shall be considered final. Once the offer letter is received, the placement cell ceases to be the point of contact between the student and the recruiting company.
- The Placement Cell should be notified of all the prerequisites of an internship/ job in advance. Non-compliance to this provision by the recruiter would amount to a breach of contract and gives the cell the right to initiate action against the recruiter, as deemed.
- The Placement Cell would like to apprise that no change can be made in the CTC or the profile offered to the student, which operates against the student's interest, after the appointment.
