University of Delhi

PROSPECTUS 2026-2027

THIS FOUNDATION STONE
OF MIRANDA HOUSE
WAS LAID BY HER EXCELLENCY
THE COUNTESS MOUNTBATTEN OF BURMA

HIS EXCELLENCY
THE EARL
MOUNTBATTEN
OF BURMA
CHANCELLOR

ON
MARCH 7TH
1948

SIR MAURICE
GWYER
VICE-CHANCELLOR

कॉलेज गीत

आज़ाद धरा पर हम जन्में, हम आज़ादी के दीवाने
आज़ाद धरा पर हम जन्में, हम आज़ादी के दीवाने
आज़ाद हवाओं में उड़ने वाले हम पंछी मस्ताने
आज़ाद धरा पर हम जन्में, हम आज़ादी के दीवाने
धरती पर पाँव हमारे हैं, सपने आकाश से ऊँचे हैं
पूरब से लेकर पश्चिम तक, हममें से ही कुछ पहुँचे हैं
बेजोड़ हमारी हस्ती है, बेजोड़ हमारी मस्ती है,
बेजोड़ हमारे सपने हैं, बेजोड़ हमारे अफसाने
आज़ाद धरा पर हम जन्में, हम आज़ादी के दीवाने
उड़ती तिथियाँ बढ़ते संवत, भी हमको रोक नहीं पाए
हम अपनी धुन में रमे हुए हैं, आज यहाँ तक बढ़ आए
हम सिंहवाहनी जैसे हैं, हम हंसवाहनी जैसे हैं
हम मधुर रागिनी जैसे हैं, निकले हैं जग पर छा जाने
आज़ाद धरा पर हम जन्में, हम आज़ादी के दीवाने
हो कला क्षेत्र या फिल्म जगत, हर ओर हमारे चर्चे हैं
इतनी बुलंदियाँ छूने को, कितने दिन हमने खर्चे हैं
है नाज हमे अपने ऊपर, अपनी अनमोल विरासत पर
है नाज मिरांडा हाउस पर, इस बात को सारा जग जाने
आज़ाद धरा पर हम जन्में, हम आज़ादी के दीवाने

FROM THE PRINCIPAL'S DESK

Greetings from Miranda House, an institution with a long tradition of creativity, charisma, and charm. Excellence and exuberance remain the core values of Miranda House, where the faculty and students strive to give their best in curricular, co-curricular, and extra-curricular activities year after year. One finds a balanced and healthy mix of cultural tradition and modernity in the ethos of Miranda House, encapsulated in the Upanishadic maxim in the college logo, "Swadhyayann pramaditavyam" which roughly translates to learning through self introspection.

Students remain at the center of the myriad activities of the college. The creativity of each student is honed to develop it to its fullest potential. At Miranda House, the emphasis is on the journey of the individual student and the celebration of her unique strengths and talents.

Dedicated faculty provide the best in teaching-learning traditions while navigating through the curriculum in the humanities, social sciences, and basic sciences. The humanities and social sciences celebrate a vibrant culture of critical questioning and active engagement in debates and the art of persuasion to arrive at consensual standpoints. Unique infrastructure supports breaching the monotony of a top-down approach to teaching. The sciences are enriched with cutting-edge research, state-of-the-art laboratories, and attention to detail in every sense of the term. They remain the best in the University.

Mentoring remains the cornerstone of the teaching-learning experience. Pedagogical tools such as flipped classrooms, immersion learning, field studies, and application-based research are interwoven in an interdisciplinary sense throughout the educational curriculum.

Our endeavor for innovation and quest for excellence has received recognition in the form of several awards and accolades. Miranda House has been ranked as the number 1 amongst colleges in India under the National Institutional Ranking Framework (NIRF) of the Ministry of Education, Government of India, for seven consecutive years – 2017, 2018, 2019, 2020, 2021, 2022 & 2023 and continues to be amongst the top college of the country. It has been graded A++ by NAAC and rated as a DBT Star College. The college does not rest on its laurels and constantly strives for new heights.

The college is committed to the philosophy of the National Education Policy (NEP) 2020, which has been implemented through the University of Delhi's Undergraduate Curriculum Framework 2022 (UGCF). The college had its fourth year batch which has engaged in research. Recognizing the diverse research needs of its students, the institution has developed a robust and vibrant research ecosystem that promotes innovation, interdisciplinary collaboration, and academic excellence.

The co-curricular and extra-curricular activities at Miranda House remain its life source. The unique spirit of Miranda lies in its democratic resilience and the symbiotic relationship between the faculty and students. It strives to provide a stimulating active learning environment, attracting young women with an exceptional desire to make a difference in the world. It is an institution whose standing is reflected not only in its ability to provide quality education but also as an alma mater par excellence.

The college is fully committed to sustainability and demonstrates this commitment through various initiatives including integrating sustainability into curriculum, reducing environmental footprints and community engagement. We welcome you to join us in our endeavour towards contributing to sensitive, responsible and empathetic citizen.

I welcome the students of the batch 2026-2027 and congratulate them on their success.

DBT STAR
COLLEGE STATUS

THE COLLEGE

Miranda House, college for women, located in the University of Delhi campus, is a premier women's institution. It was established in 1948 by the then Vice-Chancellor, Sir Maurice Gwyer. Lady Edwina Mountbatten laid its foundation stone on March 7 in the same year. Originally designed by renowned architect Walter George, Miranda House is built in warm red brick with cool and spacious corridors. The College shares an architectural affinity with other colonial educational institutions of the country. In the past seven decades, as the College has grown, several other buildings have been added in consonance with its original design. Special efforts are on to preserve the heritage of its pristine architectural glory.

Miranda House offers liberal education in social sciences, humanities and basic sciences to more than 4000 students. The faculty, renowned for its meritorious profile and versatile talent, is dedicated to the cause of liberal education. Through their years at Miranda, our students develop a sense of social responsibility, intellectual rigour, and practical knowledge. They develop communication, analytical and problem-solving skills, and a demonstrated ability to apply their education to our complex and diverse world.

The College has always maintained high academic standards. More significantly, it has provided students an enabling and creative environment to freely develop and express views that help them respond to changes in society. Being on the University campus, its proximity to other colleges facilitates the participation of Miranda students in several inter-college events, both academic and cultural.

Those who will make the College hostel their home for the coming years have the privilege of residing in one of the most beautiful residential buildings on the University campus.

The institution's philosophy is guided by a pedagogy that encourages the students to explore new domains, to critically examine the world around them and to question stereotypes.

Political Science	16660
Music	16660
Geography	19180
B.Sc. (Honours)	
Mathematics	19200
Physics	20700
Chemistry	20700
Botany	20700
Zoology	20700
B.Sc. Multidisciplinary	
Life Sciences	20690
Applied Science (Computer Science)	20190
B.El.Ed.	21210
B.ScB..Ed. (Secondary)	35000

Note:

- The college retains the right to revise the fee at any time during the year.
- Foreign Students Registration Fees of Rs. 26354 is to be charged separately.
- Exceptionally needy meritorious students may be given financial assistance at the time of admission.
- College has provision for financial assistance for needy students, application applications schedule will be duly notified.
- Students admitted should refer to the college website for a detailed list of Awards and Scholarships.

FOUR YEAR UNDERGRADUATE COURSE

CREDIT SCHEME

UNDERGRADUATE CURRICULUM FRAMEWORK

Sl. No.	Type of Award	Stage of exit	Mandatory Credits to be secured for the award
1.	Undergraduate Certificate in the field of Study/Discipline	After successful completion of Semester II	44
2.	Undergraduate Diploma in the field of Study/Discipline	After successful completion of Semester IV	88
3.	Bachelor of (field of Study) (Honours) Discipline (for single core discipline course of study)	After successful completion of Semester VI	132
4.	Bachelor of (field of Multidisciplinary courses of Study) (for multiple core disciplines courses of study)	After successful completion of Semester VI	132
5.	Bachelor of (field of Study/Discipline) (Honours with Research/Academic Projects /Entrepreneurship) Discipline (for single core discipline course of study)	After successful completion of Semester VIII	176
6.	Bachelor of (field of Multidisciplinary courses of study) (Honours)	After successful completion of Semester VIII	176

SKILL ENHANCEMENT COURSES (SECs)

The NEP 2020 envisages imparting life skills as well as technical and professional skills as part of holistic education. University of Delhi has prepared various Skill Enhancement courses in different domains to provide kinds of skills to the students, such as Communication Skills, Computer related skills, coding skills, financial management skills, etc. with high degree of hands-on learning to equip the students with the skills of their choice suitable to the academic path they choose. A student who pursues any undergraduate programme in the University and its colleges is offered a pool of Skill Enhancement Courses, from which the student must choose one to study in the first six semesters.

VALUE ADDITION COURSES (VACs)

In pursuance of the objectives outlined in the National Education Policy 2020 (NEP), the Value Addition Courses seek to fulfil the mandate of providing holistic education to the students. As the NEP elucidates, “the purpose of the education system is to develop good human beings capable of rational thought and action, possessing compassion and empathy, courage and resilience, scientific temper and creative imagination, with sound ethical moorings and values.”

The Value Addition Courses will introduce students to the rich heritage of the nation as well as to important social concerns of the current times, helping them to make connections between what they learn and how they live.

Designed to ignite the intellectual curiosity of the learners, the Value Addition Courses will inspire and guide them in their journey of personal and professional development making them thoughtful, well rounded and creative individuals, with a sense of service and responsibility towards the Nation.

A student who pursues any undergraduate programme in the university and its colleges is offered a pool of Value Addition Courses, from which the student must choose one to study in the first four semesters.

GENERAL ELECTIVE COURSES (GES)

General Electives is a pool of courses which is meant to provide multidisciplinary or interdisciplinary education to students. General electives is a pool of courses offered by various disciplines of study (excluding the GE offered by the parent discipline), in group of odd & even semesters, from which a student can choose. The GEs specified in the framework would be identified by the concern department as GEs to be taught in a programme.

In case a student opts for DSE beyond her discipline specific course(s) of study, such DSEs shall be treated as GEs for that student.

ABILITY ENHANCEMENT COURSES (AECs)

Ability enhancements courses are the courses based upon the content that leads to knowledge enhancement through various area of study. They are Language and Literature and Environment Science and Sustainable Development which will be mandatory for all disciplines.

DEPARTMENTS

LANGUAGES

हिन्दी

हिन्दी विभाग सन् 1948 में दो विभागीय सदस्यों के साथ आरंभ हुआ था और इस समय विभाग में ग्यारह स्थायी सदस्य हैं और आज यह विभाग साहित्य, रंगमंच, जनसंचार तथा मीडिया विषयों के लिए जाना जाता है। विभाग द्वारा संचालित पाठ्यक्रमों में हिन्दी आनर्स एवं बी.ए. प्रोग्राम शामिल हैं। आज के वैश्विक परिदृश्य में हिन्दी केवल साहित्य की भाषा ही नहीं रह गयी है बल्कि उसने अनेक क्षेत्रों में अपना विस्तार किया है। सेमेस्टर आधारित पाठ्यक्रम में हिन्दी साहित्य के इतिहास, काव्य व गद्य विधाओं के साथ-साथ, रचनात्मक लेखन, अनुवाद, भाषा शिक्षण, रंगमंच तथा पत्रकारिता विषयों को भी समेटा गया है। आज हमारी छात्राएँ अध्यापन क्षेत्र के साथ-साथ समाचार पत्र, रेडियो, दूरदर्शन, अनुवाद, रचनात्मक लेखन तथा विज्ञापन जैसे क्षेत्रों में अपनी नयी भूमिका दर्ज कर रही हैं।

विभाग द्वारा समय-समय पर साहित्यिक संगोष्ठियाँ, कवि गोष्ठियाँ, साहित्यकार/कवियों से मुलाकात, पुस्तक प्रदर्शनियाँ आदि कार्यक्रम आयोजित किये जाते हैं जिससे छात्राएँ विषय को अधिक गहराई से समझ सकें। इसके अतिरिक्त छात्राओं के लिए विभिन्न प्रतियोगिताओं का आयोजन भी किया जाता है जिनका उद्देश्य छात्राओं की प्रतिभा को निखारना तथा उन्हें विकसित करना है।

हिंदुस्तान के जज्बात व्यक्त करते हिमोजी

रेड देवी अंबाला के स्टिकर्स बनाने की अभिलाषा खोस को साकार करनेवाली हिंदी की प्रोफेसर अपराजिता ने भी सुर्खियों में अपनी जगह बनाई.

दिल्ली के गिरिहा हाउस कॉलेज में हिंदी को इस ऑस्ट्रेट प्रोफेसर अपराजिता खोस ने सोशल नेटवर्किंग को दुनिया में हिंदुस्तानी भाषनाओं की कमी को न मिला पहलूम किया, चमक इसे दूर करने के लिए हिमोजीब का एक पेज बना दिया. वर्ष 2015 में हिमोजीब बनाने की शुरुआत करनेवाली अपराजिता, वर्ष 2016 के अगले-अगले अपने हिमोजीब को लेकर एक आत्मकथा नाम बन गई. वर्ष 2015 में उन्होंने शीर्षक 10-15 स्टिकर्स बनाए और अपने दोस्तों के साथ फेसबुक पर शेयर किए. इसके बाद उनके दोस्तों के वैसीव आने लगे कि ये तो बड़े

महेश्वर हैं और हम इन्हें लगाता अपने गुप्ता में शेयर कर रहे हैं. उनके दोस्तों ने हिमोजीब को एक लुल्ला बना दी. सभी लोग इन्हें पसंद कर रहे थे तो अपराजिता को लगा कि इन्हें इसको पेज बना लेनी चाहिए. अपराजिता चाहती थी कि हिमोजीब पूरी तरह से भारतीय भाषनाओं को आका करनेवाले हो. अपराजिता ने इस बात का पूरा खयाल रखा कि उनके स्टिकर्स की भाषा सटीक और पूरी तरह भारतीय परिवेश के इर्दगिर्द भूमि हो और हमारे जज्बात को व्यक्त करती हो.

ENGLISH

English Literature is a diverse and exciting subject. Students who opt for this course are not only offered the opportunity of reading and responding to a large spectrum of novels, plays and poetry but also the possibility of engaging with several wider issues that are deeply relevant to our lives. It has been the tradition of the Miranda House English Department to connect the teaching of literature to political and social questions that provoke thought in the contemporary mind.

Through lectures, tutorials and seminars students are encouraged to relate the curricular texts to their lives outside the classroom. They get ample opportunity to voice their views and argue their positions on the larger issues evoked by the study of literature. Film shows are used as teaching aids and comparisons between the written and visual texts highlight the way different media shape artistic content.

SANSKRIT

Sanskrit is one of the most ancient Indian languages and important for understanding of ancient civilization and culture. Efforts are being made at national and international level to preserve its importance and existence.

The Department of Sanskrit was established in 1948. It offers Sanskrit in B.A. Honours. It also offers Sanskrit in the B.A. Programme wherein it is taught as both a language and a Discipline Specific Course (DSC).

The Department promotes academic excellence. It has a rich library stocked with rare encyclopedias, dictionaries, books and journals which are available to students for consultation. It also helps in developing the overall personality of the students.

The Sanskrit Department arranges Shivirs (Sanskrit speaking camps) for enhancement of the spoken language. Seminars, lectures, and competitions are also held which provide opportunities to students to interact with scholars in various fields.

BENGALI

Studying Bengali acquaints students with the nuances of the language. It also gives them analytical tools to investigate the social fabric and multifarious cultures of society through the works of eminent writers such as Rabindranath Tagore, Asha Purna Devi, and Mahasweta Devi amongst many others. Students who have studied Bengali till class XII can opt for admission in Bengali honours as per minimum University eligibility criteria. For B.A. Programme with Bengali, students will study Bengali as a Discipline Specific Course (DSC). Graduates from the Department of Bengali have the advantage of five reserved seats at the Central Institute of Education for B.Ed. and M.Ed. courses. The students have a lot of scope in the field of media, translation, teaching, research and in the NGO sector.

SOCIAL SCIENCES

ECONOMICS

Economics is a broad discipline. Students are introduced to a systematic study of the resilience and collapse of economic institutions in the face of a rapidly changing global environment. Economic theory trains one to think critically about a range of complex issues. The process of rational decision making taught in economics is of great value irrespective of the career a person chooses. Established in 1948, the Department has an illustrious faculty and is renowned for its academic excellence.

The programme opens several avenues for students – those with an inclination towards a career in the corporate sector can opt for an MBA programme. More academically oriented students can pursue M.A. and Ph.D. programmes. Students can go into teaching/research with international organizations like the World Bank. The Civil Services are still a very popular option for those interested in administration and framing economic policies.

The Department of Economics at Miranda House collaborates with The University of Queensland, Australia, a university ranked among the Top 50 in the QS World University Rankings, for a joint undergraduate programme. Under this programme, the credits earned during the first three semesters at Miranda House are transferable to The University of Queensland, enabling eligible students to complete the remaining two and a half years of study in Australia and earn a full undergraduate degree from The University of Queensland. Graduates are also eligible for a one-year post-study work visa.

GEOGRAPHY

In 1964, Miranda House became the first women's college to offer Geography as a discipline at the undergraduate level. Since then it has maintained a tradition of high academic and co-curricular excellence in both B.A. Honours and B.A. Programme.

Geography is a unique blend of the basic and social sciences. It helps provide a wide range of information and understanding that is essential for making sense of a world riddled with problems of space and society, using the traditional approach of fieldwork, mapping and spatial analysis, complemented by the latest statistical methods, computer cartography, and Geographical Information System.

This course creates an arena of opportunities for the academically inclined as well as for those students who explore options outside the subject after their degree courses in business, administration, law and planning. It also offers a number of rewarding opportunities in teaching at all levels of the education system.

HISTORY

The discipline of History enables a student to know and understand the past. Scholarship based on such an understanding is helpful in dealing with present-day concerns with greater sensitivity. Historical enquiry is crucial to knowing the complexity of the present. A training of this kind is useful in further research as also in pursuing careers in the field of teaching, publishing, administrative services, mass-media, particularly journalism, human-resource development and social work. Our students have found an opening and made a mark for themselves in diverse areas of work.

PHILOSOPHY

Philosophy is the eternal search for truth, a search that is never defeated. It allows the mind to reflect, the spirit to wonder, to doubt every claim which is unconvincing, to conjecture and to refute and reconstruct the truth based on facts. A student of philosophy learns about various schools of Indian philosophy ranging from orthodox to heterodox; Western philosophy of the rationalists and the empiricists; Greek philosophy and logical reasoning; Contemporary modern thought, ethics, social and political philosophy, philosophy of religion and philosophy of science.

PHYSICAL EDUCATION AND SPORTS

Miranda House is one of the few colleges offering Physical Education as a Discipline Specific Course (DSC) for B.A. Programme. The course offers an understanding of the scope, aims, and objectives of Physical Education. It also imparts knowledge in the area of sports psychology, sports management, administration of physical education, rules and regulations of sports and games, and organization and reporting of events. Practical learning takes place through a wide range of activities related to what has been taught in the theory classes.

Students who have studied Physical Education as a Discipline in B.A. Programme as well as those from other disciplines who have excelled in sports and games can pursue a Bachelors Degree in Physical Education followed by the Masters, M.Phil and Ph.D. degree. This gives them an opportunity to work in Schools, Colleges, Fitness Centres, and in various sports organizations. The Sports Authority of India (SAI) provides ample opportunities for athletes to study in N.S.N.I.S. and become qualified coaches.

POLITICAL SCIENCE

The study of politics and government has been central to human society. In fact, Aristotle, the father of Political Science, believed that 'Politics is the Master Science' upon which all human activity depends. The four year undergraduate course in Political science focuses on the theory and practice of politics and government. It is dedicated to developing an understanding of institutions, practices and relations that constitute public life at local, state, national and international levels. The study of Political Science, further, is as much an engagement with the self and its ability to comprehend the complex asymmetry of the individual and political.

At the under graduate level, study of Political Science involves an in-depth analysis of a broad range of political phenomena mainly in areas as diverse as Political Theory, Classical/Modern Political Philosophy, Indian Political Thought, Comparative politics, International Relations, Public Policy, Peace and Conflict Resolution, Feminist Political Theory, Constitutional and Political Processes in India. Students have access to an unrivalled range of expertise and activity in these fields. Teaching is based on the most rigorous contemporary scholarship and students are trained in the highest standards of critical analysis. Throughout the course, students will have an opportunity to define and explore their own questions about politics and government. Students are also provided an opportunity to conduct individual and group research projects.

Graduates in political science are prepared to pursue a wide range of professions. Some continue their higher education in Political Science or Law , while others enter such professions as teaching, research, politics, civil/government service, journalism, public interest representation(through NGO's), social/ community service and so on. In recent years, the most popular destination of political science students has been Civil Service and Law.

SOCIOLOGY

The Department of Sociology offers an undergraduate four year undergraduate course that keeps students updated about latest developments in the discipline. It trains students to develop a 'sociological imagination' and to make connections between the private and the public domain. Equipped with these skills our students move on to successful postgraduate programmes such as social work, sociology, mass communication, human resource management, development studies, and law in the best universities all over the world. The Department has consistently been producing two or three University rank holders from each class every year.

Our students find placement in diverse fields such as the media, publishing houses, the corporate sector, the public sector, NGOs (national and international), research, and many other sectors related to development. The students of the Department have represented India at International Youth Exchange Forums, World Youth Forum and as UN volunteers.

Many well-known personalities in the media, academics, research, corporate sector, civil services, publishing industry, sports, and human right activists have been our students.

SCIENCES

BOTANY

Miranda House pioneered science education for women at the University of Delhi when it started its B.Sc. Honours programmes in 1948. The B.Sc. Honours Botany course includes a study of diversity of plants and their economic importance but also offers a comprehensive overview of molecular biology, genetics, biochemistry, cell biology, microbiology, biotechnology and bioinformatics. Botany, along with its allied branches, provides employment opportunities in research and educational institutes, pharmacy, agriculture, horticulture and forestry. Over the years, the Department of Botany has produced a large number of dedicated scientists, teachers and those who have excelled in other areas. The Department maintains a Museum, Herbarium, Departmental Library, Tissue Culture facility and a Botanical Garden. The Department also organizes excursions for students. It has an active Botanical Society, *Antheia* which organizes lectures by distinguished academicians and scientists. The society also facilitates participation of students in various activities across colleges of University of Delhi. The Department of Botany is a recipient of grants by DBT under Star College Scheme and the University of Delhi Innovation Projects Scheme.

CHEMISTRY

The Miranda House Chemistry Department was established in 1960. It currently has three modern and well-equipped laboratories, two instrumentation laboratories and facilities of a modern computer laboratory. The Department has been awarded DBT Star College Status since 2016.

Since Chemistry as a subject is central to the study of both physical and biological sciences, it offers a lot of scope to graduates in the discipline. While pursuing the Chemistry Honours course at Miranda House, many students are selected for summer training at the IITs and the Indian Institute of Science, Bangalore. A large number of Miranda House Chemistry graduates progress to pursue post-graduate courses at institutes of national eminence such as the IITs and the IISc, Bangalore, and further Ph.D. at top-ranking universities in the US, UK and Europe. Many Chemistry alumnae are engaged in research work at reputed pharmaceutical companies and research laboratories in India and abroad. The disciplined and analytical outlook acquired during the study of Chemistry helps graduates to excel in diverse fields such as Computer Programming, Ecology and Environment, Chartered Accountancy, Mass Communications, Management, Law and the Civil Services.

COMPUTER SCIENCE

Omnipresence of Information and Communication Technologies (ICT) in contemporary lives and workplaces makes Computer Science a sought after area of study, vocation and research. Established in 1984, the Computer Science Department of Miranda House is one of the youngest departments in the college. The department has a spacious laboratory with more than thirty five computers connected in a LAN, fully supported by Open Source Softwares. The department also maintains a well-stocked library of Computer Science books.

The department frequently conducts talks, seminars and workshops for its students including those on Personality Development and Soft Skills Enhancement to help the students have an edge when they venture out in life. To keep pace with latest subjects and technologies, students are encouraged to participate in Massive Open Online Courses (MOOCs).

The department has a technical society, *CompuAda* named after Lady Ada Lovelace, credited with writing the first algorithm for a computer in 1840. CompuAda holds a yearly inter college event, *Orrey*, which sees large participation from students from within and outside Delhi.

The Department takes pride in its alumnae working in large numbers in the arena of technology and management.

MATHEMATICS

Earlier Mathematics was taught as a B.A. or a B.Sc. Honours programme. From the academic session 2009-2010, the course has been remodelled as B.Sc. Honours Mathematics, an integrated programme. It enables students to be equipped with the emerging requirements of today's world, to be trained in real world applications through Mathematical Modelling and to acquire computer skills in various fields of Mathematics including applications.

Mathematical techniques have been gaining popularity in pure sciences as well as in social sciences. The precision of mathematical language has also made it possible to explore large areas of research. Today, Mathematics is probably the most convenient shoulder to lean on not only for the Sciences but also for subjects like Commerce, Economics etc. Facilities of a fully equipped modern Computer Laboratory are available to the students of the Department of Mathematics in Miranda House.

With the options of Computers, Discrete Mathematics, Financial Mathematics, Statistics, Linear Programming and Numerical Methods offered in the third year, our students are able to compete successfully in entrance exams for M.C.A., M.B.A., and M.Sc. in different universities. Each year, some of our students get admission and financial assistance for postgraduate courses in prestigious universities in the U.S.A, U.K. and the IITs.

PHYSICS

Miranda House has always played a pioneering role in imparting science education to young women and was one of the first few colleges at University of Delhi to enroll women in Physics. Constituted in 1972, the Physics Department at Miranda House started with a batch of 40 students and two faculty members, and there has been no

looking back since then. Presently the department has strength of nineteen faculty members, fourteen technical staff members and about 250 students. It has two well-equipped teaching laboratories, two lecture theatres, two computer labs and a Departmental library. Facility of electronic and electrical instrumentation is also available with the department that enables us to set up novel experiments in Physics. The Physics Department at Miranda House lays a lot of emphasis on the innovativeness and quality of the projects. Every year a large number of Miranda House Physics graduates also get selected for summer internship programmes at pioneering research institutes across India.

A degree in Physics nurtures analytical and logical thinking skills of students and thus serves as an entry point for a diverse range of careers in management, information technology and economics to lesser known arenas like biophysics. Physics being the most fundamental science, a career in Physics itself is highly promising and a wide range of research fields such as astrophysics, high-energy physics, nuclear physics, plasma physics, condensed matter physics, optical science and material science are open to students.

ZOOLOGY

Zoology provides a deep understanding of the structure, behaviour and evolution of animals by using molecular and systems biology approach. It has wide applications in environment, industry, pharmacology, forensic as well as clinical sciences. The Department runs three add-on courses *Cell Culture Techniques and Applications*, *Medical Biotechnology*, and *Bioinformatics and in silico Medicine* which introduces students to the current concepts, practices and goals of the respective disciplines. Interested students can also do in-house research projects at the multi-disciplinary research facility being run at the college. The Department Society *Synapse* organizes a number of academic activities such as lectures by esteemed scientists, debates, quizzes and visits to various institutions, Zoological parks and other sites. The Society also publishes its annual magazine *Evolvere*, which incorporates creatively written articles from students and teachers. The Department has been awarded DBT Star College Status since 2016 and is doing Extra Mural Government Funded Research Projects.

ELEMENTARY EDUCATION

B.El.Ed.

The Department offers a four-year Professional Teacher Education Programme, Bachelors in Elementary Education. The Programme facilitates the process of becoming a reflective practitioner by providing opportunities to simultaneously learn concepts in Sociology, Psychology, Linguistics, Science, Mathematics, Languages, and Philosophy along with practical experience such as Performing and fine arts. The Programme culminates in an intensive six months long internship in the final year. B.El.Ed programme started in Miranda House in 2006. The Department of Elementary Education has a well-equipped resource room in the college to meet the varied needs of the curriculum. The college has a placement cell to provide a platform for interface between the college students and schools, NGOs and other relevant organizations. Most of the final year students of the course get placements in well-known schools of Delhi and NCR.

B.Sc. B.Ed. (Secondary)

Integrated Teacher Education Programme (ITEP)

The Integrated Teacher Education Programme (ITEP) is a four-year degree programme. It is founded on the vision of NEP 2020, exemplifying the process of developing a multidisciplinary approach to learning in higher education.

The 4-year integrated B.Ed. is a dual-major holistic bachelor's degree in Education as well as a specialized subject (such as language, history, music, mathematics, computer science, chemistry, economics, art, physical education etc). Beyond the teaching of cutting-edge pedagogy, the teacher education will include a grounding in sociology, history, science, psychology, early childhood care and education, foundational literacy and numeracy, knowledge of India and its values/ethos/art traditions, and more. [NEP 2020; 15.5]

The four-year Integrated Teacher Education Programme (ITEP) envisions the creation of passionate, motivated, qualified, professionally trained, and well-equipped teachers capable of designing and implementing developmentally appropriate learning experiences for students at different stages of school education. The ITEP seeks to ensure prospective teachers receive the highest quality education in content, pedagogy, values, and practice. ITEP is of four-year duration with credits distributed across eight semesters of study. It is a dual-major bachelor's degree programme, with one major in Education and the other in a disciplinary/interdisciplinary branch of knowledge. In addition, the programme seeks to develop among student-teachers an ethic of social engagement and capacities such as problem-solving, critical thinking, creative thinking, communication skills, ethical and moral reasoning, etc., that are necessary for preparing competent teachers.

ITEP with Secondary Stage Specialization

The Secondary Stage includes Grades 9, 10, 11 and 12. It comprises “four years of multidisciplinary study, building on the subject-oriented pedagogical and curricular style of the Middle Stage, but with greater depth, greater critical thinking, greater attention to life aspirations, and greater flexibility and student choice of subjects” NEP 2020, 4.2). “Holistic development and a wide choice of subjects and courses year to year will be the new distinguishing feature of secondary school education” [Para 4.9, NEP 2020]. This programme will prepare the student-teachers to accomplish these stage-specific goals of education.

Semester System and Curricular Components

The Stage-Specific ITEP will be organized according to the semester pattern, which is two semesters in an academic year. The ITEP comprises the following curricular components:

- Student Induction Programme
- Foundations of Education
- Disciplinary/Interdisciplinary Courses
- Stage-Specific Content - Cum - Pedagogy Courses
- Ability Enhancement and Value-Added Courses
- School Experience, including Internship in Teaching
- Community Engagement and Service.

ELEMENTARY EDUCATION B.EL.ED. COURSE STRUCTURE

PART I	PART II	PART III	PART IV
F1.1 Child Development	F2.3 Cognition and Learning	F3.6 Basic Concepts in Education	F4.8 Curriculum Studies
F1.2 Contemporary India	F2.4 Language Acquisition	F3.7 School Planning and Management	F4.9 Gender and Schooling
C1.1 Nature of Language	F2.5 Human Relation and Communications	P3.2 Logico-Mathematics Education	OPTION A: (Any one)
C1.2 Core Mathematics	F2.1 Language Across the Curriculum Liberal Course (Option I)*	P3.3 Pedagogy of Environmental Studies Liberal Course (Option II)*	Pedagogy (one of the following)
C1.3 Core Natural Science	02.1 English I	03.1 English II	OP4.1 Language
C1.4 Core Social Science	Hindi I	03.2 Hindi II	OP4.2 Mathematics
PR1.1 Performing and Fine Arts	Mathematics I	03.3 Mathematics II	OP4.3 Natural Science
PR1.2 Craft, Participatory Work Colloquia	Physics I	03.4 Physics II	OP4.4 Social Science
	Chemistry I	03.5 Chemistry II	OPTION B:* (Any one)
	Biology I	03.6 Biology II	OL4.1 Computer Education
	History I	03.7 History II	OL4.2 Special Education
	Political Science I	03.8 Political Science II	SI School Internship
	Geography I	03.9 Geography II	Project
	Economics I	03.10 Economics I	Colloquia
	PR2.3 Observing Children	SC3.1 Classroom Management	
	PR2.4 Self-development Workshops	SC3.2 Material Development and Evaluation	
	PR2.5 Physical Education Colloquia		

**Students are required to do any option, from the options A and B offered by the Department.*

F: Foundation Course; C: Core Course; P: Pedagogy Course; OP: Optional Pedagogy; OL: Optional Liberal Course; PR: Practicum; SC: School Contact Programme; SI: School Internship.

In the course nomenclature the numeral immediately following letters (F, C, P, etc.) denote the Years of the programme in which the course is to be taught. The second numeral denotes the serial number in a particular course type. For instance, F2.5 signifies that Human Relations and Communications is the 5th Foundation Course to be taught in the II Year of the Programme of study.

*About the Liberal Options: Liberal option subjects offered by Miranda House are Physics, Chemistry, Biology, Mathematics, Political Science, Geography, History, Economics, English, Hindi. *The availability of a Liberal Option subject depends on minimum 20 - 25 students choosing a Liberal Option subject. •The class will be offered a maximum of three Liberal Options from the subjects listed above, based on the choices opted by most students.*

Note: UG Bullention of Admission lists B.El.Ed. amongst the programmes of study that student's can apply for and also the college where B.El.Ed. is available. Students opt for it on the basis of centralised CUET Exam.

CAREER ORIENTED CERTIFICATE COURSES

Miranda House offers several Career Oriented Add-on Courses that can be opted for by students as parallel sub-disciplines while pursuing their degree level education. These courses are approved by the University Grants Commission and are self-financing.

The following courses are being offered:

FOREIGN LANGUAGES

The College offers One Year Certificate Courses in French, German, Korean, Spanish and Japanese in collaboration with the Department of Germanic and Romance Studies, University of Delhi.

<i>Minimum Qualifications</i>	10 + 2
<i>Duration of the Course</i>	1 Year
<i>Number of Seats</i>	50 each
<i>Selection Criteria</i>	Merit in various categories
<i>Fee</i>	Rs.17000/-
<i>Registration Fee</i>	Rs.100/-

COMPUTER APPLICATIONS FOR VISUALLY CHALLENGED STUDENTS

The college offers a 16 weeks certificate course in computer applications for visually challenged students, it covers basic concepts of computers operating systems, word processing, spread sheets, internet, ICT & professional skills. The course is conducted in the *Amba Dalmia Resource Centre*, a part of the college library. No fee is charged for this course.

LIVING VALUES

This course on value-based education is aimed at raising standards by promoting an ethos which is underpinned by core values that support the development of the student as a reflective learner. As a teaching community, we believe the ethos of the student should be built on the foundation of core values and peace. These will be addressed directly through lessons that permeate the whole curriculum. They are the basis for the social, intellectual, emotional, spiritual, and moral development of the whole. The course is an effort to recall and revisit the different kinds of moral values that shape our lives in happiness, which is the *summum bonum* of human life. The motivation, of course, lies in nurturing students as a seeker of knowledge and experience.

The Course covers seminars on a variety of topics related to the theme of 'Living Values' highlighting the relevance of these values in the contemporary world of morals. The methodology follows readings, reflections, story-telling, discussions, student experiences, and moral commitment. An essay competition is also conducted on the topic related to the theme 'Relevance of moral values in the contemporary world.' That the course has run continuously since 2016 is a measure of its popularity and success.

<i>Eligibility</i>	Undergraduate and postgraduate students of college
<i>Duration of the Course</i>	6 weeks
<i>Number of seats</i>	30
<i>Fee</i>	Rs. 500/- (likely to be revised)

ADD-ON CERTIFICATE COURSES

DATA SCIENCE AND ANALYTICS

The Computer Science Department offers a 36 hour Add-on Certificate Course in 'Data Science and Analytics'. The course is thoughtfully designed in collaboration with industry experts for enthusiasts with a very basic knowledge of statistics, but looking to acquire working knowledge of R, R Studio and practical application of R in Data Science analytics.

<i>Eligibility</i>	B.A./B.Sc. in any branch (<i>Studied Mathematics up to class 12</i>)
<i>Number of seats</i>	30
<i>Selection Criteria</i>	Interview
<i>Fee</i>	Rs. 8000/-

MEDICAL BIOTECHNOLOGY

A self-financed course is conducted on Medical Biotechnology under the aegis of DS Kothari Centre for Research and Innovation in Science Education (DSKC) at the Immunology Lab, Department of Zoology, and Life Science Laboratory, DSKC. The Medical Biotechnology course is aimed at studying the application of specialized molecular techniques to the discovery, development and manufacture of biopharmaceutical agents, vaccines, and transgenic animals for drug production and gene therapy, to mention a few. This course is useful for students intending to pursue higher studies in Life Science and Biotechnology.

This lecture course covers a number of topics central to biotechnology: recombinant DNA technology, DNA and protein isolation and assay, molecular diagnostic techniques, genetic and molecular identification of therapeutic targets, development of therapeutics, therapeutic delivery systems, pharmacogenomics, RNAi, stem cell technology, nanobiotechnology, AIDS and cancer research. The course is intended to introduce students to many of the current concepts, practices, and goals of medical biotechnology. Besides the in-house faculty, faculty is also invited from the best research institutes in Delhi. The Certificate Course consists of twenty hours of theory and ten sessions of laboratory work, each of five hour duration, and two hours of interactive session.

<i>Eligibility</i>	B. Sc. II/ III year students
<i>Duration of the Course</i>	72 hours
<i>Number of seats</i>	20
<i>Selection criteria</i>	Merit/interview
<i>Fee</i>	Rs.10000/-

CELL CULTURE TECHNIQUES AND APPLICATIONS

This 10-day (50 Hrs) Add-on course aims to familiarize undergraduate students with cell culture, useful for research in biotechnology. The participants will receive lectures on cell culture techniques, principles and applications. In addition, time will be made available for laboratory-based work where experience will be gained in aseptic techniques, cell isolation, propagation and maintenance.

Course Content

- Facility and equipment awareness
- Cell culture medium preparation
- Incubation and culture conditions
- Cryopreservation
- Cell viability
- Lab safety for cell culture
- Applications
- Principles of aseptic technique
- Microscopy
- Culture and maintenance of cells
- Cell quantification
- Biological waste disposal
- Mammalian cell characteristics and growth profiling

<i>Eligibility Criteria</i>	60% in any B.Sc. Course
<i>Course Duration</i>	10 days (50 Hours)
<i>No. of Seats</i>	20
<i>Fee</i>	Rs. 8000/-

PODCASTING WITH RADIO-JOCKEYING

The Certificate Course in Radio Broadcasting offered by the North East Regional Research and Resource Centre (NERRRC) at Miranda House is a dynamic 60-hour programme designed to provide students with a comprehensive introduction to the world of radio. The course includes 40 hours of classroom teaching and practical sessions covering key aspects such as scripting, voice modulation, audio editing, and anchoring. This is followed by a 20-hour internship, which may be completed either at the in-house radio studio or with external media agencies. The programme is conducted in collaboration with media training partners to ensure professional exposure and hands-on learning. It is ideal for students seeking to explore opportunities in community and professional broadcasting.

<i>No of Seats</i>	30 in each batch
<i>Duration of Course</i>	60 Hours
<i>Fee</i>	Free for Miranda House Students
<i>DU Students (Other Colleges)</i>	Rs.2500
<i>Non-DU Students</i>	Rs.3500

FOUNDATION OF YOGASANA

This course is offered to all undergraduate students of the college. The course is aimed at making students more healthy, practice mental hygiene, become emotionally stable and self-disciplined, cultivate concentration, awareness and consciousness so that they may have a sound mind and sound body. The course comprises of practical classes.

<i>Eligibility</i>	Open to all students of the college
<i>Duration of Course</i>	Four Weeks (36 Hours)
<i>Classes</i>	Monday to Friday
<i>Fee</i>	Free

INTRODUCING THE YOUNG WOMEN LEADERS LAB

The Young Women Leaders Lab (YWLL) is a one-year programme launched by Vedica for Women at Miranda House, University of Delhi. The programme is designed to prepare young women with the confidence and capabilities needed to build meaningful and sustainable careers. The course focus on building core leadership capabilities essential for professional success, including self-leadership, collaborative leadership, accountability, personal drive, active listening, learning agility, and financial acumen.

<i>No of Seats</i>	25
<i>Duration of Course</i>	60 Hours
<i>Fee</i>	9500

TV ANCHORING & PERSONALITY DEVELOPMENT

This course is a comprehensive three-month training program designed for aspiring television anchors, presenters, content creators, public speakers, and anyone looking to develop a confident on-screen and off-screen personality. The course combines practical TV anchoring techniques with essential personality development skills to help participants communicate effectively, think confidently, and present themselves professionally. Through studio-based practice, teleprompter reading, voice training, mock interviews, camera-facing exercises, and personality enhancement sessions, students gain hands-on experience in real media environments.

Participants will learn the fundamentals of news presentation, live event hosting, interview techniques, script reading, diction, body language, voice modulation, and spontaneous speaking. Alongside media training, the personality development module focuses on confidence building, communication skills, grooming, etiquette, leadership qualities, emotional intelligence, and professional conduct.

<i>Eligibility</i>	UG/PG (Only for Females)
<i>Duration of Course</i>	3 Months
<i>Classes</i>	2 classes per week
<i>Fee</i>	Rs.15000/- (including admission fee of Rs.3000/-)

CBRN RISK REDUCTION: STRATEGIES, PROTOCOLS, AND BEST PRACTICES

The Course designed to introduce undergraduate students to the fundamental concepts, safety protocols, preparedness strategies, and practical response mechanisms associated with Chemical, Biological, Radiological, and Nuclear (CBRN) hazards. The course aims to develop scientific awareness, emergency preparedness, and responsible handling practices relevant to hazardous materials and toxic substances encountered in laboratories, industries, disaster response, and national security contexts. The programme combines theoretical understanding with practical demonstrations, simulations, case studies, and hands-on training. It is offered by Department of Chemistry, Miranda House.

<i>Eligibility</i>	Students from any UG/ PG
<i>Number of Seats</i>	40
<i>Selection Criteria</i>	Based on academic merit of applicants
<i>Fee</i>	Rs 7000

AN INTRODUCTION TO PUBLIC POLICY & POLICY EVALUATION

This certificate course introduces students to the principles of public policy, policymaking, and policy evaluation from comparative and interdisciplinary perspectives. Participants will explore the policy cycle, macrostructural influences on policymaking, policy formulation, decision-making models, policy responsiveness, and evaluation techniques. Through lectures, case studies, discussions, and a final policy pitch, students will learn how governments design, implement, and assess public policies in diverse political and institutional contexts. The course combines theoretical foundations with practical policy analysis and encourages evidence-based policymaking.

<i>Offered by</i>	Durham University, School of Government and International Affairs in Collaboration with University of Delhi and Miranda House
<i>Duration of Course</i>	60 Hours
<i>Mode</i>	Offline
<i>Fee</i>	5000/- (Subject to change)
<i>DU Students (Other Colleges)</i>	Rs.2500
<i>Non-DU Students</i>	Rs.3500

SCHOLARSHIPS, AWARDS AND PRIZES

Miranda House has always valued academic excellence and has instituted several prestigious College awards for its meritorious students. Every year, on the Founder's Day, the College awards 4 running trophies, about 180 academic certificates and cash prizes of approximately Rs. 6.3 lakhs. The College awards the top three University rankers at B.A./B.Sc. and M.A./M.Sc. levels with cash prizes of Rs. 2500 each.

The College encourages its students to apply and compete for a number of University scholarships. These include University of Delhi Science Meritorious Awards, Vice Chancellor Undergraduate Scholarship, Professor Seshadri Prize, Kumari Bina Sharma Memorial Prize and several medals. The College also facilitates students coming from other states to avail of numerous scholarships from State Education Departments for pursuing College education. Students belonging to approved Scheduled Caste/Scheduled Tribe can also avail of post matriculation scholarship awarded by the government of the state or union territory to which the student belongs.

Prestigious College Awards include:

- Miranda House Golden Jubilee Award for Humanities and Sciences for final year students.
- Principal's Award to one student for her stellar contribution.
- Professor Savitri G Burman Award of Excellence, Humanities and Sciences for II Year students.
- Dr. Angeli Qwatra Award of Excellence for Humanities and Sciences for II Year students.
- Miranda House Alumnae Association Award for Humanities and Sciences for II Year students.
- University Rankers Award
- Sanyukta & D.N. Chaudhary Award for Resident Scholars
- Academic Awards
- Santosh Bhutani Memorial Award for wards of Non-Teaching Staff
- Miranda House Alumnae Association Award for Humanities and Sciences for II Year students.
- The college conducts Baseline Test in Biology, Chemistry, Physics, Mathematics and Geography every year. Those attaining the first 3 positions are given awards, and the winner of the Exposition round gets the Science Award.
- Students contribution to the various extra- and co-curricular activities is recognized with Awards given by some societies. All societies give Certificates of appreciation.

Several Fellowships have also been set up for the **PwBD Students**

- Buti Foundation Award
- Amba Dalmia Award
- Savitri Devi Jolly Award

- R.R.P. Sharma Memorial Award
- Yashoda Fellowship in Memory of Professor Vinod Sena
- Yashoda Fellowship in Memory of Ms. Manorama Manchanda
- Yashoda Fellowship in Memory of Sant Darshan Singh
- Yashoda Fellowship in Memory of Mr. C.L. Manchanda
- Yashoda Fellowship in Memory of Sister Camermans
- Yashoda Fellowship in Memory of Kate Tillis
- Yashoda Fellowship for Commitment to Social Change in memory of Nirbhaya
- Yashoda Fellowship to celebrate life of Subir

Many prestigious awards have been instituted in the college through generous endowments received in the recent past. These are listed below:

- Ved Jolly Resilience Awards for Motivated Scholars (one each for a student of Science Honours courses across the years).
- Ms. J.R. Bhalla Merit with Spirit Scholarship to a student of B.A. Honours Economics II year.
- Mrs. Vidya and Mr. Basheshar Nath Taneja Scholarship for a resident scholar of Science stream.
- Ms. Chander Mohini and Jeewan Kapoor Scholarship.
- Ms. Veena Nayyar Scholarship.
- Ms. Veena Nayyar Memorial Internship Scholarship.
- Manohar Merit cum Means Scholarship
- Dr. Satya M Rai Scholarship
- Dr. Harish Chander Ahuja Memorial Scholarship
- Piya and Rahul Khanna Scholarship
- Princeton Foundation National Scholarship.
- Fellowship for Peace & Learning, Princeton Foundation for Peace & Learning.
- Vidya Hardwari Lal Memorial Scholarship instituted by Dr. Prem Chowdhary.
- Anita Belani scholarship fund.
- Mrs. Manorama Nanda All-Rounder NCC Cadet Award.
- Ms. Mitu Khosla Gender Championship Award.
- Urmila Laxminarayan Bharti Award.
- Respect INDIA, PEHEL Foundation Award.

In addition around 40 awards have been instituted by the college for students of various Departments and Societies through endowments which are collated below.

Department/Society/Course	Awards
English	Zakia Pathak Award
Geography	Mihir & Santi Acharya Award
Hindi	Sudha Purna Puraskar
Economics	Mallan Devi Bhalla Memorial Award Sumana Dutta Memorial Award
Philosophy	S.S. Ahluwalia Award
Political Science	Purushotam Lal Anand Memorial Award
Sanskrit	Bhagyawati Rustagi Award Bela Gupta Memorial Award
Botany	Kanta Venugopal Award in Genetics Jamuna Devi Chopra Memorial Award
Chemistry	Dr. Lakshmi Chand Dayawati Memorial Award Naunit Ram Ahuja Award Dr. Anita Tandon Award G. K. Dhingra Award Rajkumari Batta Memorial Scholarship Best Chemistry All Rounder Award Pushpa Goyal Memorial Awards
Life Sciences	Dr. Rajkumar Jolly memorial scholarship Smt. Kanti Devi Award
Computer Science	Madan Mohan Chopra Memorial Award
Mathematics	D. N. Gulati Memorial Award Prem Gulati Memorial Award Urmila Sharma Memorial Award Shobha and TN Khazanchi Memorial Award
Physics	Nirmal D. Sagar Award Uma Shankar Excellence Award Dr. Sudesh Bose & Sameer Bose Scholarship S.K. Trikha Memorial Award Kalyani Research Excellence Award
Zoology	Saroj Kesar Meritorious Award Dr. Chandra Sathiraju Award Bose Karkun Award of Excellence
B.A. (Programme/Honours)	Saroj Bedi Award
B.Sc. (Programme/Honours)	Anu Bedi Award
Dramatics	Shail Kumari Award for Anukriti
Music	N. N. Kesar Memorial Award for Musical Talent
Sports	Bawa Balwant Singh Bhalla Award Smt. O.P. Padma Memorial Award
N.C.C.	Mohan Lal K. B. Mehta memorial Award
Community Engagement	B. S. Jolly Award for Community Engagement.

APPLICATION AND ADMISSION PROCEDURE

This year the entire admission process is online. Miranda House strictly follows the guidelines issued by University of Delhi. Please note:

- All requisite information is on the Delhi University admission portal and the College website.
- At college the following members will remain available for assistance.

Nodal officer

Convenor Admissions Committee

Members SGRC Committee.

[Check the College website for contact details.](#)

MIRANDA HOUSE HOSTEL

Miranda House Hostel is located within the college campus. The Hostel section is laid out in an aesthetically designed quadrangle enclosing well-kept gardens, paced out by bottle palms. The dining room is typically colonial and has monastic tables and benches. To preserve the heritage, extensive restoration and refurbishment work has been recently undertaken in the Hostel to restore the grandeur of its red brick facade and unique interiors.

Our alumna Honourable Chief Minister of Delhi, Shrimati Sheila Dikshit laid the Foundation stone of the new hostel block at the Founder's Day 2010. The building was completed in record time. It integrates beautifully with the old hostel, matching in grandeur the heritage building. With this, we have added 50 more rooms which on twin sharing basis makes the number of hostel seats over 361.

The Hostel Committee includes the Principal, the Vice-Principal, the Bursar, Teacher Representatives and the Hostel Wardens. The day-to-day functioning is taken care of by two hostel wardens under the supervision of the Vice-Principal. Admission to hostel are made by the Hostel Committee and are merit based.

HOSTEL APPLICATION FORM

Candidate desirous of applying for admission to the Hostel must approach the Hostel Admission Desk in the office immediately after securing admission in the college to fill/generate an Online Hostel Application Form. This should be deposited along with a self attested copy of the following documents:

- The College Admission Fee Receipt
- Class XII Marksheet
- Residence Certificate issued by a competent local authority. The certificate could be from the District Magistrate, the local employer of the parent or an Affidavit.

ELIGIBILITY AND ALLOCATION OF SEATS

- Admission to Miranda House Hostel is strictly on basis of merit, using the same criteria as for admission to the course. In case of a tie, percent aggregate marks are considered to decide merit.
- The number of seats in any Discipline Course depends on the sanctioned seats in that course.
- Only outstation undergraduate students of Miranda House are eligible for admission to the Hostel.
- Students whose parents reside in the National Capital Territory of Delhi, Faridabad, Gurgaon, Noida, Greater Noida and Ghaziabad are not eligible.
- Admission is subject to submission of required proof of residency.
- The decision of the Hostel Admission Committee shall be final in all matters.

WELLNESS @MIRANDA HOUSE

MENTAL HEALTH

Ms. Aarti Bardhan College Counsellor	8130646295	Monday-Thursday 11.00am-2.00pm
Dr. Kanika Khandelwal Counsellor	8376893353	Online All Days 11.00am - 4.00pm
Dr. Anita Verma Psychiatrist	7982670039	Online All Days 11:00am-4:00pm
Dr. Pooja Shakya Psychiatrist	8826723746	Online All Days 11:00am-4:00pm
Dr. Panna Sharma Psychiatrist	7678608590	Online All Days 11:00am-4:00pm

Finding Support in Difficult Times

All of us at different points of times in our lives encounter various challenges, and at times it becomes too difficult to handle them on our own.

You may feel anxious during these challenging times, suffer from a lack of confidence or direction, find it difficult to cope with the tasks at hand or struggle to make the changes you need.

Talking to someone can be immensely helpful and if you are considering counselling, Miranda House has a Counselling Centre for you.

Services Offered:

Short term confidential personal-social counselling
Support and referral for chronic and complex issues

PHYSICAL HEALTH

College Doctor:	Dr. Komal
Contact No.	8607901501
Availability:	- Tuesday, Thursday & Saturday (11:30am-1:30pm); - Online Consultations- Monday to Saturday (10:00am-6:00pm)
Services Offered:	- First aid treatment - A sick bay with 2 medical beds & one patient attendant bed - WUS health centre membership for Hostel students
Nurse:	Ms. Shalu
Contact No.	8448676484
Availability:	Monday-Saturday (9:00am-4:00pm)
Services Offered:	Thermal machines, hand sanitizers and hand washing options available at entrances

LEGAL HEALTH

Legal Aid Counsel:	Laywer from DSLSA (Delhi State Legal Services Authority)
Contact No., Mail:	legalaiddcentre@mirandahouse.ac.in
Availability:	Friday, 2:00pm-5:00pm
Services Offered:	- Quick & efficient legal counselling - Referring to advocates if needed

VENUE FOR COUNSELLING CENTRE, MEDICAL CENTRE & LEGAL AID CLINIC:

NEAR HOSTEL GATE

CAMPUS LIFE

At Miranda, we believe academic excellence and learning through participation in extracurricular activities work in tandem. We strive to foster an environment where students can realize their full potential. Such is the range of opportunities available to students that the auditorium, the common rooms, the cafeteria, and the lawns buzz through the year with the vibrant voices and activities of budding actors, journalists, singers, writers, painters, social workers and political activists. When in Miranda House, we urge you to make the most of the innumerable opportunities provided to chisel your individual aspirations.

THE STUDENTS' UNION

Each student of Miranda House is a member of the Students Union. The Principal of the College is the patron of the Students Union. The Students Union is affiliated to the Delhi University Students' Union, (DUSU). It acts as an umbrella body over Departmental Societies, six Cultural Societies and other Clubs, the MH Sports Organization, the MH units of the National Cadet Corps, and National Service Scheme. Neither the Students Union nor any society arranges any programme/meeting which has any affiliation with any political party. All students annually participate in the election of office-bearers.

Elections for the posts of President, Vice-President and Central Councillors will be held as per the schedule declared by the University for the elections to DUSU. The highlight of the Union's activities is **Tempest**, the annual festival of Miranda House, much awaited not just by Miranda House but by the entire University.

STUDENTS' GRIEVANCE REDRESSAL COMMITTEE (SGRC) INTERNAL COMPLAINTS COMMITTEE AGAINST SEXUAL HARASSMENT

In accordance with section 4 (1) of Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 (No. 14 of 2013) an Internal Complaints Committee (ICC) has been constituted for Miranda House including its Departments, Administrative Office, Hostel Administration, Library, etc. The Committee members include faculty members, non-teaching staff, students representatives and an eminent citizen. The Committee is engaged in awareness raising work on issues and contexts of sexual harassment at the workplace and also intervene, take action and provide a space of support and strength for those who may experience such harassment. The Committee strives towards making the University a safe working environment for all, especially students. For its awareness generation work, ICC works with the Gender Sensitizing Committee, which is an elected body comprising of student representatives from each class.

EXTRACURRICULAR ACTIVITIES

DEPARTMENTAL SOCIETIES

All Departments have their own societies. Membership of these societies is automatic, upon being a regular student at Miranda House. These societies lend vibrancy to academics in the college through the regularly organised seminars, talks, debates, paper-reading competitions and Department festivals. Many Departments bring out wall magazines and printed magazines. They have also created Blogs and Facebook pages.

CULTURAL SOCIETIES

Miranda House has a rich cultural heritage. There are several cultural societies which include Music, Dance and Choreography; Dramatics; Debating; Fine Arts; and Quiz Societies. Membership is voluntary. Each society has a president, elected from among the students of third year and a secretary, elected from among the students of second year. Activities are largely student driven, although students are guided by Staff Advisors from amongst teachers of the college. Close student-faculty interaction is the hallmark of most activities at Miranda House. Nominal fee are paid annually by the students to fund these societies.

DRAMATICS

Miranda House takes pride in the creative productions of its dramatic societies that have carved a niche for themselves in the serious theatre circles of Delhi.

Anukriti, the Hindi Dramatic Society, has had an uninterrupted history of prestigious productions since 1957 and is now treated at par with professional theatre groups. Each year, it produces a range of *Nukkad Nataks*, i.e., street plays, one-act plays and a full-length play. The full length play is the crowning event of the annual *Anukriti* calendar. Some of the more celebrated productions have been *Khabsoorat Babu*, *Godan*, *Jasma Odhen*, *Dhruvswamini*, *Reshmi Rumaal*, *Jia*, and *Kailasmani*. The Hindi Academy of Delhi collaborated with *Anukriti* for its ambitious project, *Dastaan Ek Shehzaadi Ki*, during the celebrations of 150th year of First War of Independence. In 2015-2016, *Anurkriti* staged Bhartendu Harishchandra's famous play *Andher Nagari*. Bertolt Brecht's *Caucasian Chalk Circle* was performed in 2016-2017. *Yeh Kahani Nahin* based on short stories by Amrita Pritam was enacted in 2019-2020. *Anukriti* holds its auditions for membership at the beginning of academic session. It organizes workshops for students, often in close collaboration with the National School of Drama. Miranda House has several alumna who are luminaries in the world of theatre, including Anuradha Kapoor, Tripurari Sharma, Kirti Jain, Maya Rao and Hema Singh.

Ariels, the English Dramatic Society, has been producing plays since the 1950s. *Ariels* has always pioneered out of the ordinary productions and been a trendsetter in its use of innovative directorial devices, all of which have received appreciation in the past. Over the year students discover their interests and organize themselves into the many teams that provide support for lights, sound, set design and of course, script writing, production and acting. *Ariels* was invited to take part in the prestigious *Ibsen Festival'10*. The Dramatic Art & Design Academy (DADA) selected *Ariels* as one of the only five colleges that were to perform in the *Little Theatre Group* (LTG) Auditorium in September 2010. Two scripts were merged for this project Henrik Ibsen's *A Doll's House* and Mohan Rakesh's *Aadhe Adhure*. The end product, illustrative of *Ariels* ventures, brought together not only both the scripts but also different cultures and time periods. *Ariels* also participated in the reputed Old World Festival at the India Habitat Centre. In 2016-2017 Satre's well known play *No Exit* was staged by *Ariels*. The society was invited to perform *Light in the Library* for the India International Centre Library in 2017-2018.

THE DEBATING SOCIETY

The Debating Society of Miranda House provides a forum through which students can hone their oratory and analytical skills while learning to work as a team, optimize available resources and organize exciting events, often on a mega scale.

The Society organizes several intra-as well as inter-college debates. Debsoc initiated the concept of the Seminar-Debate that was launched with *Revolution-2002*, an inter-university debate that drew participants from several cities in India. In 2004, it carried the proud tradition forward by organizing *Manzar*, another seminar-debate, this time with participants from Pakistan and from India. Continuing the series, in 2005, it spearheaded the process of selecting a Delhi University team to participate in the Second Indo-Pak Student Seminar-Debate at Lahore. Miranda House was invited by the Pakistan Debating Society to Lahore again in 2006. In 2007, *Manzar* was expanded to include not just Pakistan, but also Sri Lanka and Bangladesh, and to draw Indian participation from leading institutions across the country. Members of the Debating Society routinely participate in several Model UN events as well as most national level debating competitions. Our students have also participated in the international debates at London School of Economics and University College, London.

The Debating Society of Miranda House provides a platform for creative and interpretative expression of ideas and to nurture the talent of public speaking. Students also get a hands on experience of organizing, adjudicating and coordinating various events. The Debating Society activities complement and enrich the idea of a holistic education that Miranda House is known for.

MUSIC, DANCE, AND CHOREOGRAPHY SOCIETY

The Music, Dance, and Choreography Society is organized into the following groups: *Geetanjali*, the Indian Music Society; *Orpheus*, the Western Music Society; *Mridang*, the Indian Dance Society; *Tanz*, the Western Dance Society. Miranda House takes pride in the talent of its students, who participate in a number of intra- and inter-college events round the year and bring laurels to the college. Each year witnesses numerous achievements and Society, at inter-college events, both in Delhi and at other prestigious institutions across the country. In addition, members of the society present the musical/cultural component of formal college events.

FINE ARTS SOCIETY

Adwitiya, the Fine Arts Society, is an integral and indispensable part of Miranda House. It organizes competitions in sketching, rangoli, cartoon and poster making and much more. The colourful rangolis, the artistic stage décor and information displays add quality and much more importantly, a special welcoming touch to all events. The Society regularly organizes workshops and exhibitions for the benefit of students. Some popular workshops are on pottery, origami, Madhubani painting, Cartoon Making, Playing with Clay, Best Out of Waste, Graffiti, T-shirt designing etc.

QUIZ

Jigyasa, the Quiz Society of Miranda House, provides an active forum for quiz enthusiasts and enables them to test their knowledge on a range of issues. In addition to the Freshers' Quiz and the Tempest Quiz, *Jigyasa* hosts the Annual Rachita Dasgupta Memorial Quiz; the rolling trophy and accompanying prizes draw students from various colleges, Departments, Indian Institutes of Technology and other renowned educational institutions from across the country.

SOME MORE SOCIETIES...

GANDHI STUDY CIRCLE

The Gandhi Study Circle provides an active platform to the students to express diverse opinions on different topics, going beyond mere promotion of Gandhian values. It organizes lectures, seminars, plays and quizzes centered on Gandhian thought and activities like *Shramdaan*. On Martyr's Day, the Gandhi Study Circle organizes a solemn ceremony in which scriptures, tracts from religious texts and hymns are presented.

VALEDICTORY SESSION OF NATIONAL CONFERENCE ON ENVIRONMENT

WOMEN'S DEVELOPMENT CELL

The Women's Development Cell at Miranda House is a space for exploring gender stereotypes, making connections between private lives and public worlds, and sensitizing students to a feminist understanding of their lives and contexts. This is done through interaction. A short duration certificate course on Women and Law in India has, over the past years, become an integral part of the college calendar. In addition, the Cell organizes lectures, workshops, documentary screening and discussions on topical, pertinent issues.

MH VATAVARAN, THE ENVIRONMENT SOCIETY

Through MH Vatavaran, students and teachers come together to give voice to common environmental concerns and build sensitivity to such issues within the larger college community. Miranda House has a Compost Plant where kitchen waste and horticultural waste are converted into compost. The College also has a Paper Recycling Plant in which waste paper collected from all over the college is recycled and converted into products such as folders, carry bags, envelopes and printer quality paper. The College is making an effort to become a 'zero waste campus' by exploring avenues of recycling for plastic bottles as well. Students regularly participate in the annual TERI YUVA Meets and other environment related activities held elsewhere in Delhi.

The National Institute of Urban Affairs (NIUA) has given recognition to the solid waste management efforts of Miranda House by bringing teams of Municipal officials from all over India, who come to Delhi to participate in *Swachh Bharat* Workshops, to visit the Miranda House in-house recycling facility as an example of Best Practice. MH Vatavaran volunteers are involved in regular Anti-litter Drives within and around the College. Special efforts are made to clean up the litter due to discarded election pamphlets and posters during the Delhi University Students' Union elections. The collected paper waste is recycled at the recycling plant. *Save Electricity* and *Save Fuel* campaigns are also regular activities.

THE SPICMACAY CHAPTER, MIRANDA HOUSE

The SPICMACAY Chapter of Miranda House has traditionally been very active. Each year it brings great maestros and artists to perform on the college stage. Many great and renowned performing artists have visited our college under the aegis of SPICMACAY including Pandit Ravi Shankar, Pandit Hari Prasad Chaurasia, Pandit Shiv Kumar and Padmashri Smt. Geeta Chandran. The society also screened classic movies – Charlie Chaplin's *City Lights* and Govind Nihalani's *Aakrosh*.

CELLULOID

For those who are interested in learning the language of cinema and for those who are just plain movie buffs, *Celluloid*, the Film Club, offers a wide variety ranging from the popular to the parallel. Discussions with filmmakers and critical analysis form a part of the activities. Celluloid organizes *Film Festivals*, screens documentaries and organizes discussions around themes explored by the movies it screens.

SNAPSHOTS

Snapshots, the Photography Society of Miranda House, was launched in 2011-2012. It provides a platform for a small dedicated group of aspiring photographers and photography enthusiasts. The society encourages its members to delve into the creative sphere as well as the technicalities of this art form. This has been achieved by going on weekly photo walks, holding meetings frequently and active participation in competitions and workshops across University colleges. Regular team interactions and activities help in building a strong sense of teamwork and the joy of learning and sharing.

ADVENTURE CLUB

Adventure Club at Miranda House was started in 2006 by an enthusiastic group of students and faculty members. The club aims to take students beyond perceived physical and mental comfort zones and instill a sense of adventure and love for nature. Besides, students are also exposed to organizational skills, develop teamwork and leadership qualities, and helps picking up valuable life skills. The club has been regularly organizing daylong adventure camps inside and outside the college for the benefit of large number of students. Every year the club members get a real feel of adventure with outbound thrilling activities like trekking, skiing, biking, rafting, and other water sports, along with rope activities and courses. The team members have inculcated within them the principle of LNT (Leave No Trace), thus contributing to their environment and minimizing their ecological footprint. On the whole, it fosters confidence, self-reliance, self-discipline and decision making capacity that not only groom their personality but makes them future ready.

TULA, MIRANDA HOUSE CONSUMER CLUB

The broad objective of *TULA* is creating awareness among consumers, especially amongst students and academic community about their rights; introducing students to the evolution of the consumer rights movement; imparting education on making judicious decisions regarding services and goods, and on legal provisions available. We are proud of the fact that *TULA* is one of the only two consumer clubs existing in all the colleges of Delhi University. *TULA* has been playing a pioneering role in developing consumer awareness through a series of activities. The first issue of its annual magazine *Santulan* was launched in 2008-09. Activities organized epitomize the relevance and vibrancy of *TULA*. These include mock consumer courts, inter college painting and *nukkad natak* competitions in addition to lectures, workshops and advocacy campaigns on consumer awareness.

ENTREPRENEURSHIP CELL

The Entrepreneurship Cell of Miranda house believes in creating, fostering and promoting the spirit of entrepreneurship among the students of the college. It wants not only to ignite the minds but also to nurture their ideas. It is committed to building a strong platform for the budding entrepreneurs. Through a challenging and a strong work ethic, we give a suitable platform to the future entrepreneurs to venture their own enterprises. With an active team and various guest lectures throughout the year, it also hosts its annual business summit, Croesus each year, where the young entrepreneurs participate and unleash their entrepreneurial spirit.

ENACTUS

'A head for business with a heart for the world' is the motto of **Enactus**, *Entrepreneurial action for others creates a better world, for us all*. The Miranda House chapter of the world wide movement of Enactus started in 2011. The mission of Enactus formerly known as **SIFE**, Students in Free Enterprise, is to bring together top leaders of today and tomorrow to create a better and sustainable world through the positive power of business. Student teams are constituted through a rigorous process of interview conducted by the Regional Enactus Manager who is a part of Enactus India managed by KPMG, a multinational company. Students undergo training as they develop their projects as business plans to help improve or establish livelihood for needy communities. The teams compete at regional and national levels before meeting at the global level for the *Enactus World Cup*.

Since its inception, Enactus Miranda House has had six projects under its banner. Currently it has three active projects. Project Zaffran is successfully working with a vision of creating an independent identity for socially and economically backward group of women, in the village, BhatiKalan, Chattarpur. It works for the production and sale of 100% pure, organic and unadulterated spices. Project Ikhtiyaar seeks to create a sustainable development business model by making manure out of water hyacinth, a major pollutant of river Yamuna. Project Dhreya aims to empower farmers' communities by providing them with an additional source of income by helping them tackle the current and persistent issue of stubble burning across North India. Enactus Miranda House, over the years, is also the proud recipient of the Mahindra Rise Grant, Walmart Women's Economic Empowerment Grant and KPMG Ethics Grant.

FOREIGN STUDENTS ASSOCIATION

The college has admitted multiple foreign students from more than five countries across the years. Miranda House encourages to help foreign students to settle quickly into the new environment and to give them opportunities to showcase their own culture and talent. The foreign students routinely stage enriching cultural performances at college events.

ANNUAL FEST

CELEBRATING LEGACY
INSPIRING TOMORROW

24-25 MARCH 2026

Co-engineered with ZEISS

MEMORIAL EVENTS

Veda Thakurdas Memorial Lecture: This lecture was instituted in memory of the late Ms Veda Thakurdas, founder Principal of Miranda House. The fund was created in 1985 by a donation made by her nieces for conducting the Memorial Lecture every year.

V. Krishna Memorial Event: This event was instituted in 1987, in memory of the late Ms. V. Krishna, one of the first teachers to join Miranda House. The fund was created by the contributions made by her husband, friends and colleagues. This is a growing fund and every year people add to it. The object of this memorial event is to encourage and promote activities connected with English studies such as seminars, symposia, public lectures and dramatic productions, as well as to undertake such other activities and programmes as may be of relevance to English studies.

M. L. Gupta Memorial Lecture: Dr. Kaushalya Gupta, a former reader in Sanskrit Department in Miranda House, instituted this in 1993 in memory of the late Shri M. L. Gupta.

Sanyukta Chaudhari Memorial Lecture: Mr. D. N. Chaudhari instituted this memorial lecture in 1997 in memory of his wife Sanyukta Choudhari, who was the seniormost teacher in Sanskrit Department.

Dr. Manasi Ram Memorial Lecture: An annual lecture in memory of the late Dr. Manasi Ram, Reader in Botany (1965-95), was instituted by her husband, Prof. H.Y. Mohan Ram, in 1998, the Golden Jubilee year of the college.

Masih Charan Memorial Event: Mrs. Janki Masih Charan in the year 1989 started an annual music competition in memory of her husband, the late Sh. Masih Charan, a former employee of the college. Since then a Light Vocal Musical Competition is held every year.

MENTORING PROGRAMMES

At the beginning of the academic year, each department assigns to all students a faculty member as Mentor to each student. The mentor is available to the student for consultations on aspects of the student's personal and professional well being. The interactions are highly personalized and the student is encouraged to seek advice without hesitation. Third Year students receive maximum help as the college stands committed to facilitating the process of their stepping into the world at large.

LAKSHITA, THE ENABLING COMMITTEE

Miranda House is proud to have an empathetic Enabling Committee to facilitate the differently abled students in all aspects of student life. The Committee encourages the students to participate in various college and University cultural and academic activities. The students are also encouraged to participate in University, state and national levels paralympic events. In its attempt to make the college more accessible Miranda House was amongst the first College to install QR codes. There are approximately 100 such codes installed in the college as well as the hostel. The QR codes can be read with an app that is installed on the phones of all visually impaired students. The information in the codes tells the user about the space being entered. It will give information like Room 118, Double glass door, push to open, seating about 20 steps to the left.

COLLEGE MAGAZINES

Miranda is the official college magazine. The thoughts and creativity of many students find expression through the pages of *Miranda*. The magazine has English, Hindi and Sanskrit sections.

Parnassus is the annual magazine of Miranda House Hostel. Parnassus is a Greek word which literally means the highest seat of learning, art and literature, and the residence of the muses. The magazine reflects the moods, events and the spirit of Miranda House Hostel.

In addition many department and societies published annual magazines as an important students' initiative.

EQUAL OPPORTUNITY CELL

For affirmative action, the college is committed to effectively implementing the Reservation Policy as stipulated by the government. The Equal Opportunity Cell of Miranda House ensures equitable and accessible space of learning to its category and minority students. The Cell makes all efforts to empower these students. The Cell runs orientation programme and provides information on various scholarships provided by the Ministry of Human Resource Development and Ministry of Social Justice and Empowerment for the category students. Keeping in view of the needs of the students, of which an overwhelming number wants help with English apart from computer knowledge and interview preparedness, the Cell runs a certificate course in English Speaking and listening. The course is aimed to integrate English with its usage in the real life context therefore the component units of the course are Language and Communication, Logical and Creative Thinking and Interview Readiness. All the tasks of the course are structured within the framework of learner-centric approach where students engage in group discussions, presentations and role playing. The Cell also organizes Talks and Seminars on the current issues to keep the students engaged and informed.

INTERNSHIPS AND PLACEMENTS

The Placement Cell organizes a variety of events; these include recruitment activities by a number of reputed companies as well as seminars to increase awareness regarding future academic activities/postgraduate courses/career opportunities and skill development workshops.

Seminars related to postgraduate courses and skill-development workshops have been conducted by: School of Inspired Learning; Roots Education - MBA guru, Career Launcher; T.I.M.E - Career Opportunities; Aegis Academy India Growth Story and Career Opportunities; India Can, and NDTV - Post Graduate Course in Broadcast Journalism; Google Workshop Resumé Writing and Interview Skills; Oberoi Group, Oberoi Centre for Learning and Development and Career Opportunities; Teach for India Programme; Kaivalya Education Foundation - Gandhi Fellowship Programme; Department of Computer Science; National University of Singapore Postgraduate course in Computer Science; Indian School of Business, Hyderabad and T.I.M.E Young Leaders' Programme specially designed for pre-final year students; Narotam Sekhsaria Foundation; Young India Fellowship; Parliamentary Research Services-Legislative Apprentice to Members of Parliament (PRS-LAMP); University of Sussex, UK; Azim Premji University.

Our final year students have been recruited by various reputed companies:

Tata Consultancy Services; Google; Evalueserve; Essar Graduate Executive Programme; Facebook; Wipro-WASE program.

A grant from the University Grants Commission has enabled the Placement Cell to have its own laptop with data card, printer and LCD projector. The college will soon have a dedicated Placement Coordinator under this grant.

CO-CURRICULAR ACTIVITIES

It is compulsory for students to join one of the three co-curricular activities: Sports, NSS and NCC.

NATIONAL CADET CORPS (NCC)

Miranda House has a strong and vibrant NCC programme which strives to:

- Develop leadership, build strength of character, comradeship, spirit of sportsmanship and ideal of service;
- Create a force of disciplined and trained persons who could, in a national emergency, be of assistance to the country;
- Provide training to students with a view to developing in them officer-like qualities, thus also enabling them to obtain commissions in the armed forces.

Miranda House NCC Company has a total strength of 160 cadets all enrolled in the Army Wing. An important change in NCC policy in 2008-09 took place whereby the training period was reduced from three to two years, thus enabling second year students also to join NCC. The NCC unit of Miranda House is proud that one of its senior cadets has been commissioned as an Officer in the Indian Army.

NCC regularly organises annual summer training camps. Other activities include mountaineering courses, firing/shooting competitions, etc. B and C Certificate Examinations are conducted at the end of the first and second year of NCC training, respectively. The cadets selected on the basis of high sense of duty, discipline and smart turnout are permitted participation in various activities, and amongst them are the Independence Day Parade, NCC Rally, Republic Day Camp, the Prime Minister's Rally and the President's At Home. The best cadet on an All India basis qualifies for award of NCC scholarship of Rs.5000 per month for a year. The achievements of our cadets have made Miranda House NCC one of the best in the Delhi Directorate.

SPORTS AND GAMES

The Department of Physical Education and Sport Sciences strives for excellence and achieves great laurels for the college. The college provides coaching facilities for Archery, Athletics, Basketball, Ball Badminton, Chess, Cross Country, Fencing, Netball, Power Lifting, Table Tennis, Tennis, Taekwondo, Volleyball, Weight Lifting and Yoga. The Department organizes numerous activities for sports students, general students, differently abled students, teachers and non-teaching staff throughout the year. A freshers cross country race is conducted at the beginning of every academic year to welcome the freshers of Miranda House. Regular sessions of Yoga, Aerobics and Self Defence are conducted for promoting the general health and fitness of Miranda House community. The Department organizes the annual sports festival "*Erobern*" to facilitate participation of women in different sports at college level. Our sports students continuously bring laurels to the Institution by participating in various International, National, All India/ North Zone Inter University, State, Inter College and Open Tournaments. The Best Sports Woman trophy is awarded by the college to the student for highest sports achievement throughout the year. Three other trophies i.e. the Best Outgoing Sports Woman to a final year student, Best Promising Sports Woman to a second year student and Best Emerging Sports Woman to a first year student along with cash prize are awarded every year by the Department based on the sports performance at the college level competitions.

NATIONAL SERVICE SCHEME (NSS)

NSS, was launched in 1969 to celebrate the birth centenary of the Father of the Nation. During four decades of fruitful existence more than 2.7 crore students have so far benefitted from this student-volunteer programme in the country. The main aim of NSS is to facilitate personality development of students through social and community service. Miranda House NSS unit works to bridge the gulf between the educated and uneducated sections of the community. The aims and objectives of NSS are to work among and with people, to develop a desire to serve the weaker section of the community, and to gain skills in democratic leadership. These aims are sought to be achieved through a variety of programmes: by means of manual work, working with welfare institutions, educational work, and production oriented work and in emergency. Each student volunteer devotes 120 hours in one academic year. Inter-college programmes and camps are also held. In the process of hosting a variety of programmes and engaging in work with other welfare organizations, our students are empowered with organizational skills and get exposure to democratic leadership. NSS members periodically interact with the Harijan Sewak Sangh students and invite them to perform at the college. Regular visits are paid to orphanages such as Asha Kiran where volunteers teach mentally challenged students. They also act as readers and writers for visually challenged students from various academic backgrounds.

INFRASTRUCTURE

LIBRARY

The Miranda House Library acquired its first book on 22 July 1948. The foundation stone of the present library block, spread over three floors, was laid by the late Prime Minister Indira Gandhi on 7 March 1973.

The library boasts a collection of nearly one lakh books, scores of periodicals and several newspapers and magazines. It has a sprawling reading room, reference section and photocopying facility. The library is fully automated and has an audio-visual section and a Digital Resource Centre.

DIGITAL RESOURCE CENTRE IN THE LIBRARY

In the academic session 2007-2008, the Digital Resource Centre (DRC) was started in the Library. The Digital Resource Centre with thirty networked computers provides access to internet, E-resources, and journals. The Electronic Resources Management Package is provided through Delhi University Library Systems (DULS). A total of 43270 e-journals and more than 100 databases are available. An advanced user can search data bases available through DULS to get information on subject specific e-Journals. INFLIBNET N-List provides access to more than 97,000 e-books and 6,000 e-Journals to students and faculty members. Miranda House has invested in linking with other well established Library Resource Centres such as the American Centre Library, British Council Library and DELNET. Consequently, members can avail e-resources available on other library systems.

AMBA DALMIA RESOURCE CENTRE FOR VISUALLY CHALLENGED STUDENTS

Miranda House is the first college to establish a computer-based Resource Centre to aid visually challenged students. Networked computers facilitate work with special accessible software such as JAWS and SAFA. Housed in the Library building, it has a Braille Embosser and a large collection of Braille books. Located within the library complex of the College, it is managed by dedicated staff.

DR. DAISAKU IKEDA CORNER

In the presence of SGI General Director, Mr. Yoshiki Tanigawa, Miranda House inaugurated the Dr. Daisaku Ikeda Corner—dedicated to peace, culture, education, and sustainability. This library corner houses 130 books written by Dr. Daisaku Ikeda that will inspire generations of students to embrace global citizenship.

AUDITORIUM, SEMINAR AND LECTURE HALLS

The Miranda House auditorium offers a stage to the young students to hone their talent, communication and performing skills. It has been witness to many famous events and has provided a forum to many burgeoning artists.

The Sanyukta Chaudhari Seminar Hall with a seating capacity in theatre style for 150 is routinely used for memorial talks, seminars and other activities. In addition, the college has several large lecture theatres that are used for academic enrichment, lectures, and events by various Departments.

The old Library Hall of the heritage section of the college has been renovated to create a Heritage Hall for academic and cultural activities. Renowned flautist, Pandit Hariprasad Chaurasia inaugurated the Hall on 7 March 2007, the 60th Founder's Day of the College.

AUDIO-VISUAL FACILITIES

The college provides easy access to Audio-visual equipment such as overhead projectors, slide projectors, large screen television, DVD player, and of course, a computer along with a LCD data projector for large screen displays. These facilities are extensively used in classroom teaching and discussions in addition to seminars and professional presentations. Students are encouraged to utilise the available multimedia facilities, to the fullest extent, in their own presentations and the programmes they organize.

COLLEGE INTRANET AND INTERNET FACILITIES

The college is committed to providing the best of technological facilities to the students. It has its own portal at www.mirandahouse.ac.in. The portal aims to provide online access to comprehensive information about all aspects of campus life and academic programmes to promote quality education. The college is connected to the powerful University of Delhi server and has wi-fi connectivity at all sites in the college. The college has already laid the infrastructure for a college intranet and is working towards establishing a fully networked campus. The office and the library are fully automated. The college is in the process of linking with INFLIBNET, the digital library service which will offer unlimited and unconstrained access to a comprehensive range of online journals and other resources.

DIGITAL RESOURCE CENTRE

In addition to the Digital Resource Centre in the Library the College has a Digital Resource Centre with 80 computers. This is available to students at all hours. The Digital Labs have multimedia facilities, laser printer, scanner, headphones, etc., Windows XP Operating System and other productivity software such as Flash, Dreamweaver, Adobe Photoshop, Corel Draw etc. are loaded onto these machines.

MIRANDA HOUSE COMMUNITY RADIO

The Miranda House Community Radio is an exciting initiative to introduce students to the practical aspects in the realm of voice media. This world is no longer limited to the radio, but extends to advertisements, personal channels, and dubbing of films and serials, both national and international. The Miranda House Community Radio provides a unique insight into the creative and career opportunities in these areas. It is also relevant to the curricula of various media courses offered in the college. Students learn the techniques of speaking on the microphone, voice over and editing.

TEACHING LABORATORIES

Miranda House is reputed for the quality of its science courses and over the last few years has been listed among the top ten institutes for science education in the country. Offering the full range of Honours programmes in basic science, it has some of the best laboratories in the University.

A concerted effort is made to continually upgrade and acquire the latest in quality equipment to build state of the art laboratories. Each year, the Departments introduce the latest and the best instruments. The teaching laboratories, managed by the individual science Departments, have set-ups and facilities for carrying out not only the experiments listed in the syllabus but also projects that look far beyond the traditional course content. Miranda House faculty is reputed for ensuring that each year new experiments and scientific techniques are added to the repertoire and pioneering changes made in the stipulated syllabus.

The college has established an Instrumentation Laboratory for Chemical and Biological Sciences as a central facility. This provides access to facilities needed for advanced level experiments, project work and undergraduate research.

The Department of Geography has three well furnished labs – Cartographic Lab, Remote Sensing Lab and GIS Lab. The labs are equipped with audio-visual aids, latest maps, Satellite Imageries, Stereoscopes for 3-D viewing and most up-to-date Remote Sensing and GIS mapping software.

SCIENCE MUSEUMS

The Botany and Zoology Museums, maintained by the respective Departments, house a comprehensive collection of preserved specimens of flora and fauna, biological samples, slides and other resource materials. The collection has been built up painstakingly over several decades and is well maintained. The museum also preserves specimens collected by students and faculty members on field trips and excursions from diverse and exotic locations across the country. The exhibits and samples provide depth and range to learning in the laboratory.

RESEARCH LABORATORIES

Miranda House encourages undergraduate research and is well known for the innovativeness and quality of the projects carried out by its students. These projects provide students with an opportunity to learn in diverse and multidisciplinary contexts. The labs create an ambience that is enriching and provides an early exposure to tools and techniques employed by researchers in the workplace.

DS KOTHARI CENTRE FOR RESEARCH AND INNOVATION IN SCIENCE EDUCATION (DSKC)

Miranda House established a Centre for Research and Innovation in Science Education named after the eminent scientist and educationist, Professor DS Kothari, in 2008 with a generous grant of Rs 3.3 crores from the Department of Science and Technology (DST). The Centre, called DSKC by the Delhi University community, was set up in a project mode with Dr. Pratibha Jolly as Principal Investigator. Substantial infrastructure was created under the project. The DS Kothari Centre supported innovative science activities, creating and designing educational materials that reflect the best pedagogical practices. The advanced project laboratories offered facilities for in-depth scientific investigations and undergraduate research. Since its inception, the DS Kothari Centre has given an opportunity to students and faculty to carry out research projects and enrichment programmes in Science and Science Education.

The basic objectives of the facilities are to promote

- Activity-based teaching-learning programmes using the best available technologies and pedagogical tools;
- Research in undergraduate education and development of research-based curricular and co-curricular materials, especially for the Sciences;
- Capacity building programmes for both students and faculty.

The college has received several other grants in recent years for strengthening undergraduate research:

- DU Innovation Project grants for carrying out undergraduate research in Science, Humanities and Social Sciences
- DU Star Innovation Project grants for interdisciplinary research
- Department of Biotechnology (DBT) grant under DBT Star College scheme
- Department of Science and Technology (DST) Inspire Internship Grants

The following laboratories are part of DSKC

DS Kothari Project Laboratories in Physical Sciences allow undergraduate students to design hands on activities with emphasis on using state-of – art computer based measurement systems, tools and techniques. Students are involved in a number of beyond curriculum activities and workshops in thrust area physics such as Nano materials for sensing applications, Robotics, Aero Modelling, 3-D Printing and LabVIEW all through the year. Besides that, Miranda House Physics Department is a part of the Global Network of Physics: QuarkNet which is linked to the Cosmic Ray e-Lab Portal at Fermilab. Popular student projects include in-house developed Mobile Phone using Arduino, Snake Robot, Surveillance system using drone, Intelligent Mirror with Raspberry Pi, Savant stick for the visually impaired, Low cost home automation system, Arduino interfaced Acetone sensor and automated waste segregation system, to name a few.

DSKC Life Sciences laboratory is highlighted by DSKC BioDiscovery Lab which is a well equipped infrastructural facility catering to the requirement of all levels of students i.e. undergraduate, postgraduate and PhD scholars for contemporary advanced research on development of improved drugs/vaccines for tuberculosis and cancer. A “state of the art” animal cell culture and bacterial cell culture facility has been created to undertake molecular cloning, proteomics and immunology research. The lab was part of Open Source Drug Discovery (OSDD) initiative of Council of Scientific and Industrial Research from 2010-2016. A total of 20 publications and 4 PhDs have come out from a grant of Rs. 2.56 crores received as extramural funding from various Government funding agencies like DBT, DST, CSIR, and ICMR. The constitution of DBT recognised Institutional Bio-Safety Committee (IBSC) ensures safety of the procedures used and that of the personnel involved including proper and safe disposal of biological and other waste material. Students are encouraged to attend conferences and for submission of research manuscript to peer reviewed high impact journals.

Besides this, research in Botany is carried out on a wide range of subjects including cell biology, ecology, microbiology, phycology, physiology, reproductive biology and systematics. A well equipped Plant Tissue Culture Facility has been established.

DSKC Chemical Sciences Laboratory run projects in the area of Nanochemistry, Medicinal Chemistry, Environmental Chemistry, Green Chemistry Synthetic and Analytical work in Organic and Inorganic Chemistry. Besides this, the projects in the area of Molecular Modeling and Drug design have also been taken up by students. Preparation and characterization of metal and mixed metal oxide nanoparticles, Preparation and properties of recycled paper using different additives during pulping and Green Chemistry and cosmetics synthesis are some of the recent projects undertaken by undergraduate students.

MULTIDISCIPLINARY RESEARCH CENTRE

Miranda House has taken a significant step in establishing a Multidisciplinary Research Centre (MRC) that serves as a dynamic and thriving environment for fostering progress in research, innovation, product development, and the practical application of science and technology. The

MRC not only promotes growth and advancements but also provides a valuable platform for technology transfer and patents, facilitating the transfer of knowledge and discoveries to practical applications.

One of the prominent entities operating under the MRC is the Smart Materials and Devices Laboratory (SMLD). This laboratory is fully committed to pioneering research in areas of paramount importance, specifically addressing the nation's pressing requirements in device manufacturing and translational efforts. It aims to bridge the gap between research and practical application by actively engaging in cutting-edge research and development endeavors.

The SMLD houses several specialized laboratories that contribute to various fields of material science. These laboratories cover a wide range of research areas, including but not limited to device fabrication, optoelectronic devices, energy harvesting and storage devices, and different types of sensors, such as physical, chemical, and biological sensors. Additionally, the laboratory is also involved in research on memory devices, exploring novel technologies and techniques for efficient data storage and retrieval.

Within the SMLD, researchers are dedicated to pushing the boundaries of knowledge in these fields, striving to develop innovative solutions that address critical challenges and fulfill the national needs. By conducting advanced research and fostering collaboration among scientists, engineers, and experts, the SMLD aims to contribute significantly to the development of state-of-the-art technologies and materials that can revolutionize various industries and improve the overall quality of life.

ROBOTICS@MIRANDA HOUSE

Miranda House boasts of a newly equipped Robotics Lab set up in collaboration with e-Yantra, a Ministry of Human Resource and Development project led by IIT Bombay. The goal of this initiative is to introduce students to the exciting world of robotics. It provides a platform for students to learn concepts in embedded systems and micro-controller programming through project based learning. The Robotics team aims to educate and inspire young minds through summer workshops, students' projects and hands on training sessions.

POLICY CENTRE & GENDER LAB

Policy Centre & Gender Lab at Miranda House is mandated to operate with the vision of creating a platform for budding researchers at undergraduate level to ideate, incubate and innovate. This centre provides training to students on research methodologies along with encouraging them to identify social and gender specific issues confronting society. This centre invites research proposal from students/ team and shortlisted research proposals are provided support and guidance from experts as well as faculty in the identified areas/ fields. The Centre work hand-in-hand with partners from the public and private sector. Students have benefited from the labs' flexible and experimental approach, that combines research and action, mobilises skill sets from different disciplines. Multi-stakeholder research requires not only technical and social knowledge, but also leadership, facilitation skills and the ability to manage partnerships. Therefore, the policy centre & gender lab focuses on diverse learning through a multi-channel framework established through collaboration with different institutions, organisations, and expert's network. We have organised webinars and research skill development sessions with University of Birmingham, UK, University of Gottenburg, Sweden, University of Guleph, Canada at global level. At national level we have collaborated with Action Aid and Her World.

CENTRE FOR ENVIRONMENTAL STUDIES AND DISASTER MANAGEMENT (CESDM)

Globally, many of the environmental issues has reached its planetary limits both due to anthropogenic causes and lack of ability to efficiently deal with our increasing vulnerabilities. These human induced environmental disturbances have led to various problems ranging from regional issues of resource depletion and pollution to global climatic changes. At the same time disasters have further influenced our capacity to cope up with such drastic environmental consequences. In these changing times, to build resilience within our communities, it is extremely important to sensitize individuals and societies about the risk and vulnerabilities that affect us economically and culturally. The major thrust is to educate the community to raise awareness about our ecological footprints and bring in a culture of sustainability. Educational institutions can greatly contribute by initiating training, research and engagement of youth in environmental and disaster education. Keeping in mind the interests of the college community, the Centre for Environmental Studies and Disaster Management (CESDM) was instituted in November, 2021 as a centre for learning and research.

NORTH EASTERN REGIONAL RESEARCH AND RESOURCE CENTRE

NERRRC is an undergraduate Research Centre at Miranda House awarded by the North Eastern Council Shillong and the Government of India. It is the first of its kind UG Multidisciplinary Research Centre set up in Delhi University College.

The NERRRC creates a research and resource space focused on women - research, innovation and entrepreneurship in the North Eastern Region (NER) at Miranda House. The effort is to build bridges and bring the people closer by creating understanding amongst the students, as the youth are our best ambassadors. Connecting by doing, sharing knowledge and practising research methods is the project vision. Working together, we aim to reach out to a large population of the northeastern region and create changes and bring about development for all.

The Centre is open to young and innovative research from undergraduate students. The Centre currently has 21 interns who work on a wide range of projects, and one start-up and innovation incubation project on Bamboo Products called 'Project Bloom.' The Centre has active Radio and Broadcasting Internship, where 30 students are trained in each batch on broadcasting techniques and methods.

OBJECTIVES

- Establishment of Specialised Research and Resource Centre for North East Region
- Community Radio Network
- Incubation/Innovation Laboratory for North Eastern Region
- Business to Business Collaboration Platform
- Research and Outreach programs
- Civil Society and Media Coordination
- Skill and Training Development of North Eastern Youth
- Women Entrepreneurship Program

URBAN STUDIES AND RESEARCH CENTRE

Urban Studies and Research Centre was inaugurated on February 29, 2024 by the Union Minister of the Ministry of Housing and Urban Affairs Sh. Hardeep Singh Puri Ji within the premises of Miranda House. The goal of this centre is to address one of the biggest challenges faced by human kind-creating inclusive, safe, resilient, sustainable cities and human settlements. The centre aims to bring a transdisciplinary, multidisciplinary and interdisciplinary approach that draws on the expertise of various fields. The centre will serve as a dynamic hub for research, collaboration, capacity development and innovation, fostering sustainable urban development.

VIDHIK SAHAYATA KENRA (THE LEGAL AID CENTRE - MIRANDA HOUSE)

Miranda House, in collaboration with the Delhi State Legal Services Authority, has set up a Vidhik Sahayata Kendra (Legal Aid Centre) in its college campus to spread legal literacy and provide free legal aid to all students and faculty members in need. Being an institution that has always supported its members through various challenges, the Legal Aid Centre extends the same in the form of free legal and consumer consultative aid. Every Friday, from 2pm – 5pm, a DLSA appointed lawyer visits the Centre to consult those in need.

Since its establishment on 5th January, 2024, the Vidhik Sahayata Kendra has organized several events like 'Legal Quiz', a speaker session on 'Anti Defection

Laws in India', an audio-based certificate course on legal literacy, awareness session and walkathon on Cancer Awareness, etc.

INSPIRE

The INSPIRE Programme was designed to motivate young students and to encourage them to pursue science and research. Miranda House has been organizing Inspire Internships Camps since 2010. This year, the Internship Programme included motivational overview talks by renowned scientists and demonstration talks by practicing science educators and those engaged in outreach such as the National Science Centre. In addition, the interns engaged in exciting hands-on workshops which were specially designed by the faculty at Miranda House.

CENTRE FOR PALEOGRAPHY AND MANUSCRIPTS STUDIES

Under the aegis of Indian Knowledge System and Department of Sanskrit, Miranda House in collaboration with National Mission for Manuscripts, IGNCA conducts a three months course, where participants are taught ancient scripts and are given hands-on experience with how to handle and analyze manuscripts. It is to prepare our second generation in Indian Knowledge system so as to revive and conserve the rich culture and heritage of our country.

RESEARCH AND DEVELOPMENT CENTRE

Research and Development Centre, Miranda House was established on 17 November 2022 with the mandate of enhancing R&D activities in the college as an essential objective of NEP 2020. To strengthen the R&D activities in the college, research proposals were invited and 37 projects were granted to faculty members for a duration of one and a half year. These projects led to an enhancement in the research culture in the college that resulted in number of publications in the Scopus indexed journals. In addition faculty members are also applying for research grants from other funding agencies to carry forward their research.

CURIE GRANT

'Innovation & Excellence in Women Universities' initiative of the Department of Science & Technology, (DST) Artificial Intelligence facilities have been set up in women universities with support from the CURIE-AI facility initiative. In the academic year 2023-24, Miranda House was granted CURIE grant from the Department of Science and Technology, Government of India. Miranda House is the only college in the entire University of Delhi who has received this grant. Focus of this grant is to set up experimental facility to carry out research in the college. The college is in the process of creating infrastructure for the same. The college has also been successful in getting a generous grant from the University of Delhi for creating a Skill Centre on (1) Vacuum Technology and (2) Thermal Evaporation: A thin film deposition technique for Semiconductor IC fabrication.

FACILITIES

STUDENT ACTIVITY CENTRE AND CAFETERIA

The Miranda House Student Activity Centre is situated in a separate circular building, away from the teaching block. On the ground floor is the recently renovated Cafeteria. On the first floor is the newly constructed Student Common Room. The recreational space spills onto the adjoining Rock Garden and provides the much needed reprieve from the busy academic schedule. The cafe environment is informal and ideal for free exchange of ideas leaving unending splendid memories of time spent in the three years of college life. The Centre was inaugurated on the first day of the academic session 2013-2014.

FITNESS CENTRE

The Sports Department has a Fitness Centre with several exercise machines, including treadmills, exercise bikes, stepper, multi-gym, etc. This facility is available to all students and faculty members. The Department conducts regular workshops for promoting a healthy lifestyle that includes regular exercise and balanced nutrition. Activities include Aerobics, Yoga, Tae-kwon-do, etc. All students as well as staff members are encouraged to register and avail of these facilities.

THE RHYTHM ARCADE

The Rhythm Arcade is an open space in the peaceful environs bordering the sports complex. It offers a soothing ambience where students experience harmony with nature. The Arcade is used variously for yoga, fitness exercises, workshops and beyond the classroom activities ranging from debates, discussions to dance and drama practice.

MEDICAL CENTRE

The college opened a Medical Centre in 2013-2014 in collaboration with NuLife Hospital, Outram Lines, Delhi. A visiting doctor and a nurse are available on all working days. The Centre provides basic medical care to the college community free of cost.

GUIDANCE AND COUNSELLING UNIT

A Guidance and Counselling Unit run by a professionally trained counsellor exists at Miranda House. The counsellor is available thrice a week during College hours to address the needs of students and staff. The counsellor plays a crucial role in helping students overcome exam worries, stress, personal and social problems.

MIRANDA HOUSE INTERNATIONAL RELATIONS OFFICE

MIRANDA HOUSE'S INTERNATIONAL OFFICE WELCOME FOREIGN STUDENTS AND PARTNER UNIVERSITIES

Miranda House's International Office, offers integrated services to help foreign students and partner universities from abroad to efficiently organize their programmes mutually benefiting the institutions. This office facilitates admission of foreign students to undergraduate and postgraduate courses, English Language Proficiency course, Language certification, equivalence issues and orientation programmes. Miranda House is constantly working towards strengthening academic, research and cultural collaboration with universities across the globe.

INDO-US COLLABORATIONS

UNIVERSITY OF LYNCHBURG

University of Lynchburg located in Virginia, USA, is one of the 40 institutions in USA to be included in colleges that Change Lives by the New York Times. A series of academic exchanges have taken place with the University over the past few years; some students have received generous scholarship to study at Lynchburg.

UNIVERSITY OF WISCONSIN, EAU CLAIRE, USA: TRANSNATIONAL INDIA STUDY ABROAD PROJECT

Department of Political Science, Miranda House, University of Delhi organized a COLLAB-POL 2015 programme with Department of Women's Studies, University of Wisconsin, Eau Claire in January 2015. It was a successful three-week long certificate course in which students and faculty members of both the universities interacted and held joint sessions for sharing views and opinions. As a follow up to this, two students and two faculty members from Miranda House were invited to University of Wisconsin, Eau Claire for Transnational Feminism and India Study Abroad Project for three weeks in September - October 2015. The visit and the programme were fully funded by the University of Wisconsin.

UNIVERSITY MARYLAND, COLLEGE PARK

Department of Chemistry, University of Maryland are collaborative partners for long-term R & D linkages with a focus on women in STEM and global equity. It provides a platform for the facilities, scholars and students of both institutions to gain exposure and access to research facilities available at both the ends.

MAYO CLINIC, JACKSONVILLE, FLORIDA, USA

International collaboration for fostering work of excellent standards in the fields of education, research and innovation, trainings & development.

TRUMIO INC.

Trumio Inc. is a marketplace and group work platform located at 181 E Tasman Dr, STE 20279 San Jose, CA 95134, USA which provides a platform to students of Miranda House to find suitable project/internship opportunities aligned with their academic program and career interests.

AUBURN UNIVERSITY OF MONTGOMERY

Auburn University of Montgomery (AUM) Montgomery, Alabama, USA collaborate with Miranda House to further academic links between the two institutions through joint degrees, joint research and publications, joint seminars and conferences and faculty & academic student exchange at all levels of study.

INDO-EUROPEAN COLLABORATIONS

INDO-DUTCH COLLABORATIVE PROGRAMME – MANAGEMENT AND CULTURAL CONTEXTS

Miranda House has been hosting teams from Utrecht business School for a week-long course on Management and Cultural Contexts since 2008. Students from Miranda House, Shri Ram College of Commerce and Utrecht Business School, Hogeschool, Utrecht University of Applied Sciences, Netherlands attend this workshop together. Faculty members from the Utrecht Business School are also part of the team, and address multiple sessions during the programme. The primary purpose of this programme is to provide our students with an opportunity for an inter-cultural interaction on an academic platform. Since 2012 a team of students from Miranda House and Shri Ram College of

Commerce has been visiting Utrecht as well. This programme is a successful prototype for collaboration between two DU Colleges and a foreign University.

INDO-CANADIAN COLLABORATIONS

UNIVERSITY OF GUELPH, CANADA

The collaboration aims to further academic links between the two institutions through joint degrees, joint research and publications, joint seminars and conferences and faculty & academic student exchanges.

INDO-UK COLLABORATIONS

NOTTINGHAM TRENT UNIVERSITY

Nottingham Trent University of 50 Shakespeare Street, Nottingham, United Kingdom and Miranda House mutually collaborate recognizing the benefits gained by all two institutions in academic and cultural exchange programs aimed at promoting quality education and scholarly activities.

INDO-ASIAN COLLABORATIONS

KOREA NATIONAL SPORT UNIVERSITY, SEOUL, KOREA

The collaboration aims to develop academic & educational relation. Research and training camps for athletes are held in mutual collaboration.

PLASMA BIOSCIENCE RESEARCH CENTER (PBRC) & PLASADE INC, KWANGWOON UNIVERSITY, SEOUL, SOUTH KOREA

The collaboration between Plasma Bioscience Research Center (PBRC) & Plasade Inc, Kwangwoon University, Seoul, South Korea and Miranda House aims at working together to develop scientific, academic and educational cooperation in the field of Chemical Sciences.

JAPAN

The collaboration between Miranda House and Ochanomizu University, Tokyo, Japan, through faculty and student exchanges, research partnerships, and cultural engagement. This will also aims to reinforce academic ties between India and Japan and promote student and researcher mobility in frontier STEM areas.

INDO-AUSTRALIAN COLLABORATIONS

SP JAIN SCHOOL OF GLOBAL MANAGEMENT: INITIATIVE AT MIRANDA HOUSE

S P Jain School of Global Management, an Australian Business School with campuses in Sydney, Singapore and Dubai, has been inviting students of Miranda House for an information session about their management programme since 2013. It has also introduced a Student's Ambassador Programme at Miranda House. Under this, 2 students are selected to a fully financed trip to any of the three overseas campuses. The intention of the programme is to help students take informed decisions while choosing their careers after their graduation.

QUEENSLAND UNIVERSITY

Miranda House collaborates with the University of Queensland, Australia, a university ranked among the Top 50 in the QS World University Rankings, for a joint undergraduate programme. Under this programme, the credits earned during the first three semesters at Miranda House are transferable to the University of Queensland, enabling eligible students to complete the remaining two and a half years of study in Australia and earn a full undergraduate degree from The University of Queensland. Graduates are also eligible for a one-year post-study work visa.

ALUMNAE ASSOCIATION EXCELLENCE AND ACHIEVEMENT AWARDS

The Miranda House Alumnae Association instituted the Excellence and Achievements Awards in 2005 to honour the distinguished women who have made the *alma mater* proud. These were presented at a spectacular ceremony in 2005 to Sheila Dikshit, Malti Gilani, Anjolie Ela Menon and Brinda Karat, in 2006 to Anita Desai, Lotika Varadarajan, Meena Swaminathan, Jalabala Vaidya and Nandita Das, and in 2007, the Association honoured Kathak Dancer Shovana Narayan and the filmmaker Mira Nair. In 2008, the Association honoured Madhur Jaffrey, actor and culinary expert, Bimla Nanda Bissel of Fab India fame and Bhuvnesh Kumari Patiala, a pioneer in international corporate law. In 2009, the association honoured Shailaja Chandra, Former Chief Secretary, Govt. of NCT of Delhi; Dr. Indira Rajaraman, renowned economist; and Anita Pratap, media person. In 2010-2011, the association honoured Ritu Sarin for Filmmaking.

The laureates of 2011-12 were Shobha Deepak Singh, Director, Sri Ram Kala Kendra, Uma Vasudev, media personality and Renu Sud Karnad, Chief Managing Director, HDFC Bank Tara Gandhi Bhattacharjee, grand daughter of Mahatma Gandhi and Vice Chairperson, Mahatma Gandhi Smriti Darshan, was the laureate for 2013. In 2014 the award was given to Rekha Surya, Hindustani Classical Vocalist and disciple of Begham Akhtar. The award for 2015-16 was presented to Neeti Mohan, playback singer and her sister Shakti Mohan, well known dancer for their contribution to performing arts. In 2016-17, the award was presented to Dr. T.S. Rukmani and Dr. Kiran Datar, former Principals of Miranda House, for their scholarship and contribution to the field of higher education. Mithu Alur was the recipient of the award in 2017-2018 for her contribution to Education Social Entrepreneurship.

The Alumnae Association has also instituted awards for students from both the Humanities and Science streams.

STUDENTS' GRIEVANCE REDRESSAL COMMITTEE (SGRC)

SGRC is concerned with maintaining discipline in College. It is comprised of ombudsman, faculty members and student representatives.

All students are required to maintain discipline and congenial environment while studying in the college.

Ragging is an offence. The SGRC undertakes preventive and prohibitive anti-ragging measures as per Ordinance XV-C, University of Delhi. At the time of admission and at the beginning of an academic session every student has to give an undertaking pledging non-participation in any form of ragging. Every student is provided with a booklet on the University of Delhi Anti-Ragging Ordinance. This should be adhered to strictly.

The students shall not indulge in activities amounting to an act of indiscipline such as:

- Defacing the building or any structure and damaging the institute property.
- Use of mobile phone in the academic areas including lectures rooms/halls, corridors and the library.
- Misuse of college ID Cards.
- Any other act, which is deemed by the competent authority to be an act of indiscipline.

RELEVANT UNIVERSITY ORDINANCES

MAINTENANCE OF DISCIPLINE AMONG STUDENTS

ORD. XV-B. MAINTENANCE OF DISCIPLINE AMONG STUDENTS OF THE UNIVERSITY

1. All powers relating to discipline and disciplinary action are vested in the Vice-Chancellor.
2. The Vice-Chancellor may delegate all or such powers as he/she deems proper to the Proctor and to such other persons as he/she may specify in this behalf.
3. Without prejudice to the generality of power to enforce discipline under the Ordinance, the following shall amount to acts of gross indiscipline: (a) physical assault, or threat to use physical force, against any member of the teaching and non-teaching staff of any Institution/Department and against any student within the University of Delhi; (b) carrying of, use of, or threat to use of any weapons; (c) any violation of the provisions of the Civil Rights Protection Act, 1976; (d) violation of the status, dignity and honour of students belonging to the scheduled castes and tribes; (e) any practice-whether verbal or otherwise-derogatory of women; (f) any attempt at bribing or corruption in any manner; (g) wilful destruction of institutional property; (h) creating ill-will or intolerance on religious or communal grounds; (i) causing disruption in any manner of the academic functioning of the University system; (j) ragging as per Ordinance XV-C.

ORD. XV - C. PROHIBITION OF AND PUNISHMENT FOR RAGGING

1. Ragging in any form is strictly prohibited, within the premises of College/ Department or Institution and any part of Delhi University system as well as on public transport.
2. Any individual or collective act or practice of ragging constitutes gross indiscipline and shall be dealt with under this Ordinance.
3. Ragging for the purposes of this Ordinance, ordinarily means any act, conduct or practice by which dominant power or status of senior students is brought to bear on students freshly enrolled or students who are in any way considered junior or inferior by other students and includes individual or collective acts or practices which-(a) involve physical assault or threat to use of physical force; (b) violate the status, dignity and honour of women students; (c) violate the status, dignity and honour of students belonging to the scheduled castes and tribes; (d) expose students to ridicule and contempt and affect their self esteem; (e) entail verbal abuse and aggression, indecent gestures and obscene behaviour.

4. The Principal of a College, the Head of the Department or an Institution, the authorities of College, of University Hostel or Halls of Residence shall take immediate action on any information of the occurrence of ragging.
5. Notwithstanding anything in Clause (4) above, the Proctor may also suo moto enquire into any incident of ragging and make a report to the Vice-Chancellor of the identity of those who have engaged in ragging and the nature of the incident.
6. The Proctor may also submit an initial report establishing the identity of the perpetrators of ragging and the nature of the ragging incident.
7. If the Principal of a College or Head of the Department or Institution or the Proctor is satisfied that for some reason, to be recorded in writing, it is not reasonably practical to hold such an enquiry, he/she may so advise the Vice-Chancellor accordingly.
8. When the Vice-Chancellor is satisfied that it is not expedient to hold such an enquiry, his/her decision shall be final.
9. On the receipt of a report under Clause (5) or (6) or a determination by the relevant authority under Clause (7) disclosing the occurrence of ragging incidents described in Clause 3 (a), (b) and (c), the Vice-Chancellor shall direct or order rustication of a student or students for a specific number of years.
10. The Vice-Chancellor may in other cases of ragging order or direct that any student or students be expelled or be not for a stated period, admitted to a course of study in a college, Departmental examination for one or more years or that the results of the student or students concerned in the examination or examinations in which they appeared be cancelled.
11. In case any students who have obtained degrees of Delhi University are found guilty under this Ordinance appropriate action under Statute 15 for withdrawal of degrees conferred by the University shall be initiated.
12. For the purpose of this Ordinance, abetment to ragging whether by way of any act, practice or incitement of ragging will also amount to ragging.
13. All institutions within the Delhi University system shall be obligated to carry out instructions/directions issued under this Ordinance, and to give aid and assistance to the Vice-Chancellor to achieve the effective implementation of the Ordinance.

POLICY ON SEXUAL HARASSMENT

After the enactment of the **Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressed) Act, 2013** and its notification by Government of India, University of Delhi issued notification No. Estab.II(1)/27/ACC/2006/ dated 9 January, 2014 declaring that the provisions of this Act supersedes the University Ordinance XV-D. Further, vide its Notification No. Estab.II(i)/027/ACC/2006 dated 16 January, 2014 the University of Delhi constituted its own Internal Complaints Committee as required under the Act and directed all colleges/institutions under it to constitute their own Internal Complaints Committees.

According to the Act of 2013, the University of Delhi is committed to maintain and create an academic and work environment free of sexual harassment for students, academic staff and non-teaching staff of University of Delhi.

Sexual Harassment shall include, but will not be confined to, the following:

- When submission to unwelcome sexual advances, requests for sexual favours, and verbal or physical conduct of a sexual nature are made, either implicitly or explicitly, a ground for any decision relating to employment, academic performance, extracurricular activities, or entitlement to services or opportunities at University of Delhi.
- When unwelcome sexual advances, verbal and non-verbal and/or physical conduct such as loaded comments, remarks or jokes, letters, phone calls or e-mails, gestures, exhibition of pornography, lurid stares, physical contact, stalking, sounds or display of a derogatory nature that have the purpose and/or effect of interfering with an individual's performance or of creating an intimidating, hostile or offensive environment.
- When a person uses, with a sexual purpose, the body or any part of it or any object as an extension of the body in relation to another person without the latter's consent or against the person's will, such conduct will amount to sexual assault.
- When deprecatory comments, conduct or any such behavior is based on the gender identity/sexual orientation of the person and/or when the classroom or other public forum of the University is used to denigrate/discriminate against a person or create a hostile environment on the basis of a person's gender identity/sexual orientation.

INTERNAL COMPLAINTS COMMITTEE (ICC)

At the level of College, all complaints of these nature, are to be routed through the **Internal Complaints Committee**, to be comprised of:

1. A Presiding Officer - a woman employed at a senior level at the workplace from amongst the employees. [Sec.4 (2) (a)]
2. Not less than two Members - from amongst the employees preferably committed to the cause of women OR who have had experience in social work OR have legal knowledge.[Sec.4 (2) (b)]
3. One Member - from amongst NGOs OR associations committed to the cause of women OR a person familiar with issues relating to sexual harassment.[Sec.4 (2) (c)]
4. One half of the total Members nominated should be women. [Sec.4 (2) (c)].
5. Under the UGC guidelines of May 2016, as directed by the University of Delhi, the membership has extended to include three elected student members and two nominated non-teaching members.
6. The Presiding officers and Members will hold office for a period not exceeding three years. [Sec. 4 (3)] The Internal Complaints Committee (ICC) so constituted will carry out its responsibilities as contained in Chapters (IV) and (V) of the Act.

STUDENTS' REPRESENTATION ON ICC

The **UGC (Prevention, prohibition and redressal of sexual harassment of women employees and students in higher educational institutions) Regulations 2015** stipulates the composition of Internal Complaints Committee (ICC) in Section-4.

As per the UGC Regulations 2015:

1. There will be nine members on ICC: a Presiding Officer, two faculty members and two non-teaching employees, one member from amongst non-government organisations or association and three students.
2. Three students will be elected through transparent democratic procedure.
3. The term of Office of the members on the ICC shall be for three years, HEIs may also employ a system whereby one-third of the members of the ICC may change every year.

The Staff Council, Miranda House of 14 December 2018 noted that the Ordinance XV-D also provided for three students' representation on the College Complaints Committee (redressal committee under the Ordinance). The process laid down by the Ordinance XV-D provided for a mechanism which was transparent and democratic. At the same time, the procedure of election produced sensitisation because of greater involvement of students. The Staff Council, therefore, adopted that the same procedure for electing the three students' representation on the Internal Complaints Committee.

ELECTION OF THREE STUDENTS' REPRESENTATIVES TO ICC

1. Every year, three student representatives shall be elected to ICC from a Gender Sensitising Committee of students comprising one elected representative of each class. At least one of the three representatives should be a second year graduate student.

2. ELECTION SCHEDULE:

All the important dates for nomination, withdrawal and polling will be notified by college college authorities at the beginning of the academic session.

3. MODE OF ELECTIONS:

- i. The first stage for the election of the student representatives, i.e. electing from each class a member of the GSC, can be done over a period of a week.
- ii. Election will be through secret ballot.
- iii. Three students polling maximum number of votes will be elected as representatives. The student representatives include at least one from 2nd year in the ICC.
- iv. The elections will be conducted by the Principal as Returning Officer and Convenor, Women Development Cell as Presiding Officer.

At the time of counting the votes, candidates/ a nominee of each candidate can be present as an observer.
