Internal Academic Audit Observations & Suggestions

Department: Bengali

Academic Year: 2020-21 (from 1 July 2020 to 30 June 2021)

Observations:

1. Teachers are conducting and participating various Teacher Training workshops to improve their teaching skills. Many faculty members are actively involved in research.
2. The Department arranges inter college competitions at regular intervals (every three months) to enhance the cultural and academic efficiency of our students.
3. The Department conducts creative writing and translation courses for students where English and Hindi literature is translated into Bengali.
4. For experiential learning, students are involved with philanthropic work through various NGOs like STOP.

Suggestions:

1. The Department may organise research methodology workshop and encourage students to pursue summer projects.
2. In collaboration with other Language Departments, the Bengali Department should actively work towards Language Lab. The Department can explore the idea of creating a multilingual journal to encourage talented students.
3. The Department should device ways of reaching out to its students so that student progression can be more robustly documented.
