Internal Academic Audit Observations & Suggestions

Department: Chemistry

Academic Year: 2020-21 (from 1 July 2020 to 30 June 2021)

Observations:

1. The Department organised several online webinars where distinguished alumnae of Miranda House Chemistry Department were invited.
2. The Department has used various online platforms to connect to former students.
3. Faculty members attended various workshops, webinars and Faculty Development Programmes (FDPs) to upgrade their soft skills by learning the use of ICT tools and using them effectively in teaching and assessment.
4. Faculty members are actively pursuing research and have applied for various research grants so as to better equip their laboratories for doing high quality research.
5. Study material was provided via every possible means to the students who did not have access to the internet in order to minimise the digital divide.

Suggestions:

1. The Department can regularly organise academic interaction with Miranda House Chemistry Alumnae.
2. Research and subsequent publications can be further strengthened.
3. Practical classes being online/virtual, the department could enhance their online resources in terms of videos explaining experiments.
4. Teachers enhance their ICT skills for smooth and effective online teaching-learning.
5. The Department should device ways of reaching out to its students so that their progression can be more robustly documented.
