UNIVERSITY OF DELHI

Internal Academic Audit

Observations & Suggestions

Department: English

Academic Year: 2020-21 (from 1 July 2020 to 30 June 2021)

Observations:

1. Despite the challenges posed by the pandemic, a wide range of interdisciplinary events – workshops, talks by experts in the field, interactive sessions as well as competitions – were organized at frequent intervals, by the Department, in the online mode.
2. Faculty members are guiding UG research.
3. The Department has strong Mentor-Mentee programme. Given the wide range of students' resource challenges, the Department has decided to initiate a scholarship based on merit cum means.
4. Initiatives taken by faculty members to start Archival Project are commendable.

Suggestions:

1. The Department may engage alumnae active in research for creating resource platforms.
2. The Department can explore offering Add-on courses and Bridge courses.
3. More research-based seminars and events may be held to enable and encourage inter-college exchanges of ideas and synergies between students.

A handwritten signature in black ink, which appears to be 'Nisha', written over a diagonal line.
