### Internal Academic Audit Observations & Suggestions

**Department: Hindi**

**Academic Year: 2020-21** (from 1 July 2020 to 30 June 2021)

#### Observations:

1. The Department is extremely sensitive to the needs of visually challenged students. Special efforts were made to provide them reading material.
2. Many teachers are actively engaged in research. They are also involved in various cultural activities within and outside the College.

#### Suggestions:

1. The Department can strengthen UG research by offering students summer workshops/ projects.
2. The Department should device ways of reaching out to its students so that student progression can be more robustly documented.
