Internal Academic Audit Observations & Suggestions

Department: Mathematics

Academic Year: 2020-21 (from 1 July 2020 to 30 June 2021)

Observations:

1. The Department organised various events like Seminars, workshops and Alumni meet etc. to keep the students engaged and motivated throughout the year despite new challenges owing to the pandemic.
2. The Department organised FDP in collaboration with Hansraj College.
3. Faculty is involved in guiding summer projects under the aegis of D.S. Kothari Centre, MH.

Suggestions:

1. The Department needs to strengthen the mentor-mentee programme.
2. The Department should device ways of reaching out to students so that their progression can be more robustly documented.
3. The Department can offer some Add-on courses.
