### Internal Academic Audit

#### Observations & Suggestions

**Department: Sociology**

**Academic Year:** 2020-21 (from 1 July 2020 to 30 June 2021)

#### Observations:

1. Teachers worked towards a smooth transition to online mode during the Covid-19 pandemic.
2. In order to assist the students of Hindi Medium Background and Students with special needs, the concerned faculty of the department had shared materials related to the relevant topics in Hindi available on IGNOU for the two papers of BA Prog GE: Polity and Society and Economy and Society.
3. The Department has a strong Mentor-Mentee programme. Mentors held regular meetings with mentees.
4. Career counselling sessions were organized to provide academic/career guidance to the students.

#### Suggestions:

1. The Department should strengthen the data collection on student progression and students who qualifying in various competitive examinations annually. Any information received by teachers regarding progression of alumnae should be recorded.
2. The Department can strengthen UG research by offering students summer workshops/projects.

A handwritten signature in black ink, appearing to read 'Nisha', is written over a diagonal line.
