Internal Academic Audit

Department: Computer Science

Academic Year: 2021-22 (from 1 July 2021 to 30 June 2022)

Strength

- Time table with contact hours mentioned and the mentor mentee lists were displayed on the department notice board outside room 236.
- The departmental Annual Reports for 2021-2022 to be prepared and uploaded on the college website.

Weakness

- The Computer Lab in room 236 to be brought in working order at the earliest.
- Stock register to be updated.
- Mentor mentee lists to be signed by each student.
- The department should collate the information of the mentor-mentee initiatives taken by the department.
- The department web pages on the college website to be updated.
- Prepare the network diagram of computer labs and the college.

Opportunities

- The department should start add-on courses on topics such as NLP, Cyber Security etc.

Challenges

- The department must aspire to start an honours course in Computer Science with specialization in Data Science, Business Analytics or Artificial Intelligence
