(By ANUSHKA SHUKLA)

Participating in competitions is really delightful; the enjoyment doubles if you can win the competition.

A competition was declared by **YUVA SANGAM** (Organized by UP government with knowledge partner **IIT Kanpur**) and I along with the rest of my luminously talented teammates enlisted ourselves for the same. The competition aimed to bring the youth of Uttar Pradesh on a common platform to have a meaningful dialogue with

Stage leadership. The competition was conducted in two rounds and we managed to ace the preliminary rounds.

Where in our presentation was shortlisted all over India as one of the 5 teams in our theme

"APNA GHAR:ENSURING HOUSING FOR ALL IN UTTAR PRADESH".

We then had the final round in the **IIT Kanpur** on **21st January '2018** where we secured the position of **II runner up**.

The prize money for the first round was **Rs.5000/-**

The prize money for the second round was **Rs.15000/-**

I feel privileged to be a part of this prestigious institution and make my little contribution to its glory and eminence.
