

# NEW ZEALAND EXCELLENCE AWARDS 2017

The skills you gain  
in New Zealand will  
take you anywhere in  
the world.

New Zealand Excellence Awards (NZE) is a unique initiative to encourage ambitious and capable Indian students to study at world-class universities in New Zealand.

New Zealand universities are among the best in the world. As per the QS World Rankings all these are within the top 3 percent of universities worldwide.

New Zealand education promotes the spirit of invention, innovation and collaboration. Students are encouraged to think for themselves and inquisitiveness, curiosity and independent thinking is rewarded.

NZE features **35 scholarships** across all eight universities, offering an opportunity for Indian students to experience New Zealand excellence in various programmes.

This online directory available on [www.studyinnewzealand.govt.nz/new-zealand-excellence-awards](http://www.studyinnewzealand.govt.nz/new-zealand-excellence-awards) gives information on scholarships, eligibility and application details from all eight participating New Zealand universities:
