

Visit of Professor Bernhards Ogutu to Miranda House

Prof. BernhardsOgutu visit Department of Chemistry, Miranda House on 21 November 2019. He is a Chief Research Officer, The Kenya Medical Research Institute, KEMRI, Kenya and Scientific team leader, Strathmore University, Nairobi, Kenya. BernhardsOgutu is founding President of the East African Chapter of the Association of the Clinical Research Professionals (ACRP). He is a Certified Physician Investigator (CPI) of the ACRP and a Board Registered Pediatrician of the Kenya Medical Practitioners and Dentist Board. Dr.Ogutu has extensive experience in malaria research and has been involved in a number of malaria vaccine and drug trials at the KEMRI Centres in Kisumu and Kilifi. He is also a member of the Expert Committee on Clinical Trials of the Pharmacy and Poisons Board and the Regulatory Authority of the Kenyan Ministry of Health. He has published over 35 papers in peer-reviewed journals and authored two book chapters. Dr.Ogutu is actively involved in several scientific working groups in the field of malaria and clinical trials within and outside Africa. He had fruitful discussions with the Principal and faculty members of Department of Chemistry regarding research collaborations as well as online lectures beneficial for undergraduate students. He also interacted with the research scholars and motivated them to explore the research work in the field of drugs and discovery.
