Report of the Internal Complaint Committee 2020-21

This year was the Covid 19 pandemic outbreak period due to which all work had shifted to the online mode.

A half-yearly review meeting was held by the ICC on 23rd July 2020.

Online training workshops were held separately for Students, teaching and Non Teaching staff members at different times of the academic year.

There was a noticeable increase in the cases of cyber harassment faced by the students on different sites such as Instagram and during online classes. Five complaints have been filed before ICC in 2020-2021. Resolutions were provided to all the complainants. ICC provided recommendations to resolve the issues. The college took action as per the recommendations in each case.

The provision of the in-house Counselor was a great help during this period.

Student elections to the committee were held on the 12th of March 2021.
