

Designation: Associate Professor

Year of Joining: 1985

Educational Qualifications:

B.Sc. (Honours) Physics, 1976, Miranda House, University of Delhi.

M.Sc. Physics (Electronics), 1978, Miranda House, University of Delhi.

M.Phil. 1979, Department of Physics and Astrophysics, University of Delhi.

Dissertation title: Capacitance and Conductance Studies on MOS Structures of Silicon and Gallium Arsenide

Ph.D., 1985, Indian Institute of Science, Bangalore.

Thesis title: Studies on the preparation and Semiconductor Properties of Clad Silicon Fibres

Area of Research:

- Solid State Electronics.
- Physics Education.
- Electronics Projects.

Course coordinator: Certificate in Office Automation and Web Designing
