Course ID	Name of Online Course/Workshop	Duration	No. of successful participants	Institutional Certificates
119	Geospatial Technology for Climate-Smart Agriculture	July 10-14, 2023	1	https://elearning.iirs.gov.in/edusat_lms/public/downloadInstituteCertificate/119/16572
120	Satellite meteorology applications in weather and climate studies	Aug 7-11,2023	3	https://elearning.iirs.gov.in/edusat_lms/public/downloadInstituteCertificate/120/16572
117	Geospatial Technology for Archaeological Studies	Aug 7-11,2023	3	https://elearning.iirs.gov.in/edusat_lms/public/downloadInstituteCertificate/117/16572
122	Basics of Remote Sensing, GIS and GNSS	Aug 28-Nov 17,2023	2	https://elearning.iirs.gov.in/edusat_lms/public/downloadInstituteCertificate/122/16572
123	Remote Sensing and Digital Image Analysis	Aug 28-Sept 22,2023	3	https://elearning.iirs.gov.in/edusat_lms/public/downloadInstituteCertificate/123/16572
125	Overview of Space Technology	14-18 Sept,2023	2	https://elearning.iirs.gov.in/edusat_lms/public/downloadInstituteCertificate/125/16572
126	Global Navigation Satellite System	25 Sept-06 Oct,2023	3	https://elearning.iirs.gov.in/edusat_lms/public/downloadInstituteCertificate/126/16572

1036	Monitoring Forest Disturbances using Geospatial Technology	04-Oct-23	1	https://elearning.iirs.gov.in/edusat_lms/public/downloadInstituteCertificate/1036/16572
127	Remote sensing based data analytics in agriculture	26-Oct-23	3	https://elearning.iirs.gov.in/edusat_lms/public/downloadInstituteCertificate/127/16572
1034	Overview of Geographical Information System	9 Oct-20 Oct 2023	5	https://elearning.iirs.gov.in/edusat_lms/public/downloadInstituteCertificate/1034/16572
128	RS & GIS Applications in Natural Resource Management	6-17 Nov, 2023	4	https://elearning.iirs.gov.in/edusat_lms/public/downloadInstituteCertificate/128/16572
129	Automatic Feature Extraction from High Resolution Images	20-24 Nov,2023	2	https://elearning.iirs.gov.in/edusat_lms/public/downloadInstituteCertificate/129/16572
130	Overview of Geocomputation and Geo-web services	30 October- 03Nov 2023	1	https://elearning.iirs.gov.in/edusat_lms/public/downloadInstituteCertificate/130/16572
131	Geo-data sharing and Cyber Security	28 Nov- 11 Dec, 2023	3	https://elearning.iirs.gov.in/edusat_lms/public/downloadInstituteCertificate/131/16572
133	Geodata Processing using Python	Jan 15- 19, 2024	2	https://elearning.iirs.gov.in/edusat_lms/public/downloadInstituteCertificate/133/16572

134	Exploring Earth's Moon through Chandrayaan	Feb 19-23, 2024	13	https://elearning.iirs.gov.in/edusat_lms/public/downloadInstituteCertificate/134/16572
135	Geospatial Analysis using Google Earth Engine	Feb 19-23, 2024	11	https://elearning.iirs.gov.in/edusat_lms/public/downloadInstituteCertificate/135/16572
136	Advances in Remote Sensing Techniques for Geological Applications	Mar 11-15, 2024	2	https://elearning.iirs.gov.in/edusat_lms/public/downloadInstituteCertificate/136/16572
137	Aditya L1: India's first space-based observatory	Mar 18-22, 2024	8	https://elearning.iirs.gov.in/edusat_lms/public/downloadInstituteCertificate/137/16572
1037	Soil Health : Measurement & Modelling	Mar 28, 2024	1	https://elearning.iirs.gov.in/edusat_lms/public/downloadInstituteCertificate/1037/16572
140	Forest carbon & water cycle monitoring and modelling	May 13-17, 2024	4	https://elearning.iirs.gov.in/edusat_lms/public/downloadInstituteCertificate/140/16572
143	Geospatial Technology for Digital Agriculture	June 24-28, 2024	4	https://elearning.iirs.gov.in/edusat_lms/public/downloadInstituteCertificate/143/16572
133	Geodata Processing using Python	Jan 15-19, 2024	2	https://elearning.iirs.gov.in/edusat_lms/public/downloadInstituteCertificate/133/16572
