## EXTERNSHIP PROGRAM

### Event Report

**Name of the event** - Externship Program: Shape Your Journey at Miranda

**Date:** 27th & 28th August, 2024

**Organized by:** Miranda House Placement Cell in collaboration with Skills Reform and The Smart Edge

**Objective:** To provide students with course-based career counseling, internship and externship opportunities, skill enhancement guidance, and corporate office visits to bridge the gap between academia and industry.

#### **Event Summary:**

The Externship Program was a two-day event held on 27th and 28th August as part of the Student Induction Program at Miranda House.

The program aimed to benefit students by providing them with the necessary skills and knowledge to make them job-ready. The event featured two distinguished speakers, Mr. Chetan Khurana, Director of Skills Reform, and Mr. Amit Phull, Founder & CEO of The Smart Edge.

Miranda House, Delhi University, established in 1948 is one of the eminent institutions of the country that offers pure science and art academic courses. The college maintains a legacy of securing the NIRF ranking 1 amongst all colleges across India for seven consecutive years due to the exemplary performance showcased by its students and alumni in diverse fields of life.

Notably, Miranda House is the first institution in Delhi University to launch such a comprehensive externship scheme, setting a benchmark for industry-academia collaboration and student employability.

## Event Highlights:

- The speakers shared their expertise and experiences, providing valuable insights to the students through engaging sessions.
- *Pathways after graduation*: Students gained clarity on various career paths and opportunities available after completing their graduation.
- *4-year skill enhancement journey at Miranda*: Students understood how to leverage *leaderships, externships and internships* to enhance their skills and make themselves job-ready.
- *Career choices according to their course*: Students received guidance on how to make informed decisions about their career choices aligned with their academic courses.
- Interactive sessions, discussions, and Q&A: Students had the opportunity to clarify their doubts and gain a better understanding of the topics.
- *Corporate office visit*: As a next step, this programme will provide the Students with a glimpse into the working of the corporate and the opportunity to connect with distinguished companies, further enriching their understanding of the industry.
- The event also featured an address from Prof. (Dr.) Hena Singh, Convenor of Miranda House Placement Cell, who highlighted the significance of this pioneering initiative and its potential to unlock exclusive opportunities for the students of Miranda House, thereby enhancing their career prospects and industry readiness.

## Conclusion:

The Externship Program was a resounding success, providing students with a comprehensive understanding of the skills and knowledge required to succeed in their chosen careers. With this initiative, Miranda House has set a new standard for industry-academia collaboration in Delhi University and the Placement Cell, Miranda House is committed to continuing such initiatives, ensuring that students are job-ready and equipped to succeed in the industry.
