ABOUT MIRANDA HOUSE

Established in 1948 by Maurice Gwyer, Miranda House is one of the premier women's institutions under the University of Delhi. The college is a microcosm that incorporates students from diverse backgrounds providing multifaceted exposure to each one of them. The college motto cherishes the hope that learning and academic pursuit will be a lifelong habit to anyone who enters the college. The college offers graduate and post-graduate courses to over 3500 students with the most intellectual and brilliant minds.

Over the years, the college has created a niche by providing an excellent ambience where creativity and new ideas flourish, in conjunction with imparting knowledge blended with perfection.

Thus, Miranda focuses on imparting skills and holistic development of students to make them a perfect fit for the organization

Miranda House harbors the best of the brightest minds and has maintained a legacy of achieving the 1st Rank all over India amongst Indian colleges for consecutively 7 years.

NIRF:2024

Miranda House has continued its legacy of being among the top colleges of the country as it has been ranked 2nd all over India which simply portrays the perseverance and painstaking hard work of the Miranda House community.

Miranda House has also been accredited with A+ with a CGPA of 3.61 by the NAAC, ranking it as one of the best performing educational institutions in the country. Miranda House has also been awarded the status of a DBT star college.

In the session of 2024-25, Miranda House Placement Cell collaborated with a plethora of reputed organisations like the University of Queensland, Adda247, Pearl Academy, Bajaj Capital and Drishti IAS etc.

The Placement Cell, Miranda House in association with Pradhan Mantri Kaushal Vikas Yojna (PMKVY) and National Skill Development Corporation (NSDC) established a skill-hub centre in the college. The objective of the Skill Hub is to impart and inculcate skills among underprivileged and school drop-out women between the age-group of 15-40 and make them empowered and self reliant.

With a zeal for excellence, Miranda is home to several societies which provide a platform to the in-house talents of students such as dance, debate, music, quizzing, environment, fine arts and photography.

ABOUT THE PLACEMENT CELL

The Cell undertook a plethora of initiatives aimed at enhancing students' analytical, logical, and critical reasoning abilities, along with problem-solving skills. A major highlight of the year was the successful organisation of our annual Knowledge and Internship Fair – Chrysalis, which featured participation from 30+ reputed companies across diversified sectors and witnessed a footfall of 800+ students from across India.

This year has been especially rewarding, with the highest CTC reaching INR 24 LPA and an average CTC of INR 8.8 LPA, reflecting the overall placement statistics for the academic year.

Following this, the Cell proudly launched the first cohort of the Miranda House Principal's Internship Scheme (MHPIS), offering 10 carefully selected students valuable exposure.

We also secured prestigious internships this year with organisations like Salesforce, Lenskart and Nation With NaMo providing students the chance to explore high-impact roles and real-world experiences.

Our ingenious alumnae continue to set benchmarks in the corporate world with their commendable contributions, and that legacy is strengthened every year. The Cell plays a vital role in equipping students with core competencies and employability skills, ensuring they are well-prepared for top-tier companies.

The Placement Cell has played a pivotal role in bridging the gap between the intense competition in the industry and the talent available in the college. Under its aegis, students are provided with valuable opportunities related to jobs and internships, along with adequate knowledge and support to help them showcase their abilities in the best possible manner.

To keep students updated on current industry trends and better prepare them for evolving market demands, the Cell regularly organizes extension lectures by professional consultants and experts from reputed public and private organizations, as well as employment exchanges.

In addition to conducting recruitment drives and equipping students with the latest skillsets, the Placement Cell also provides guidance for various competitive examinations such as CAT, GATE, GRE, UPSC, and others through dedicated sessions.

The 2024–25 Placement Session continued the Cell's legacy of excellence, maintaining impressive placement statistics despite the economic challenges brought on by a global recession. This achievement stands as a testament to the Cell's consistent quality and effectiveness. Our recent recruiters include several renowned organizations such as KPMG, Accenture, Barclays, PwC, D.E. Shaw, among others.

The Cell has grown significantly by adopting an inclusive approach that ensures equal opportunities across all disciplines. Furthermore, a number of career guidance sessions and informative webinars were organized in collaboration with leading institutions from across the globe, further expanding the horizons of the students.

VISIONS

We firmly believe in preparing students to become professionally competent citizens and we shall keep looking ahead with a clear vision for the future to attain standards of excellence.

As the Placement Cell of Miranda House, it is our endeavour to maintain consistency between the stakeholders be it students, companies, think tanks, NGO's or educational institutions, and to ensure that Mirandians are ready to open the door when opportunities come knocking.

Chrysalis 7.0

ANNUAL JOB, INTERNSHIP & KNOWLEDGE FAIR

Chrysalis 7.0, the annual job, internship, and knowledge fair organized by the Placement Cell, was held on 3rd March, 2025. The day-long fair, conducted offline, provided students with a broad spectrum of employment and internship opportunities, equipping them for their future careers. The event commenced with a welcome address by Principal Dr. Bijayalaxmi Nanda, who highlighted the remarkable strides made by the Placement Cell in the past year. Prof. Hena Singh, Convener of the Placement Cell, followed with an address that inspired students to embrace future challenges with determination.

This year's Chrysalis witnessed enthusiastic participation from over 800 students from Miranda House and other top institutions across Delhi NCR. The event featured more than 30 prestigious companies, including Outlook Magazine, Bajaj Capital, BPB Publications, Arihant Publications, and Zielhoch. These recruiters offered a wide range of roles and internships across diverse sectors such as consulting, finance, education, technology, media, and social impact. Beyond interviews and applications, it also served as a platform for industry-student interactions, where knowledge sessions and open dialogues enriched students' understanding of workplace expectations and emerging career paths.

Chrysalis 7.0 was not just an event; it was a significant milestone in the journey of the Placement Cell and the students it serves. The fair successfully bridged the gap between academic knowledge and industry expectations, providing a platform for students to connect with leading companies and industry professionals. The overwhelming participation and positive feedback from both students and employers highlighted the success of the event. As Chrysalis continues to grow in scale and impact, it reaffirms its position as a pivotal event in preparing students for the challenges and opportunities of the professional world. The Placement Cell looks forward to building on this success in future editions of Chrysalis.

PLACEMENT PROCEDURE

PAST RECRUITERS

COMPANY GUIDELINES

1

The Placement Cell, Miranda House strictly enforces One Student One Offer policy. Exceptions to this rule, as below: Placed students shall be eligible to appear for interviews of esteemed/ dream status companies offering a higher CTC.

2

It is hereby informed that the Placement Cell accepts CTC not less than 4 LPA and any request for deviations shall not be accepted.

3

Once the offer letter is received, the placement cell ceases to be the point of contact between the student and the recruiting company.

4

The Placement Cell should be notified of all the prerequisites of an internship/ job in advance. Non-compliance to this provision by the recruiter would amount to a breach of contract and gives the cell the right to initiate action against the recruiter, as deemed.

5

The Placement Cell would like to apprise that no change can be made in the CTC or the profile offered to the student, which operates against the student's interest, after the appointment.

6

The recruiting company must disclose a tentative duration of the recruitment drive. (This is to be disclosed as students may apply elsewhere due to non- disclosure of results within reasonable time- frame by the companies).

7

The recruiting company is required to provide following details -

- | | |
|-------------------|--------------------------|
| -The Company Name | -Skills Required |
| -Job Profiles | -Perks |
| -Job Description | -Type of Internship/ Job |
| -Eligibility | -Duration |

8

It is mandatory for the recruiting company to inform the Placement Cell regarding the number of students selected (if any), along with their names via E-mail after the recruitment drive has been completed.

Upon getting placed in a dream company, you are no longer eligible to participate in the further placement process, regardless of your decision to accept or reject the offer letter.

If the market situation necessitates a revision in the Placement Policy, it will be done in a manner so as to maximize the benefit to the student community & company as a whole.
