

Action Taken Report of Non-Teaching Staff Feedback 2021-2022

Non-teaching staff is an integral part of the college community. About 93 percent of the non-teaching staff rates the overall environment of the college as exemplary. Over 77 percent are satisfied with the opportunities for personal and professional growth and skill enhancement. Most of them are satisfied with the infrastructure linked to banking, canteen and medical facilities. They are highly content with the timely disbursement of salary, financial reimbursements of medical bills, leave travel allowance and the educational allowance.

It was decided that more training programs would be organised for the lab and administrative staff.
