

Action Taken Report of Student Satisfaction Survey 2021-2022

The College is cognizant of its responsibility towards the students. The results of the student feedback for the above period were tabled in the college Academic Committee meeting. The teacher-in-charges were apprised of the results. Weaknesses for each department were discussed. The outcomes of the discussions were taken to the respective departments with a special emphasis on strengthening student progression.

TICs then held departmental meeting and discussion with faculty members of their respective departments. The faculty members would be implementing the decisions taken.
